Erwin C. Hargrove

In Retrospect The Tragedy And Lessons Of Vietnam:

In Retrospect Robert S. McNamara, 1996-03-19 1 NATIONAL BESTSELLER The definitive insider's account of American policy making in Vietnam Can anyone remember a public official with the courage to confess error and explain where he and his country went wrong This is what Robert McNamara does in this brave honest honorable and altogether compelling book Arthur Schlesinger Jr Written twenty years after the end of the Vietnam War former Secretary of Defense Robert McNamara's controversial memoir answers the lingering questions that surround this disastrous episode in American history With unprecedented candor and drawing on a wealth of newly declassified documents McNamara reveals the fatal misassumptions behind our involvement in Vietnam Keenly observed and dramatically written *In Retrospect* possesses the urgency and poignancy that mark the very best histories and the unsparing candor that is the trademark of the greatest personal memoirs Includes a preface written by McNamara for the paperback edition *In Retrospect* Robert S. McNamara, 1997-06-17 The 1 national bestseller an indispensable document for anyone interested in the Vietnam War McNamara's controversial book tells the inside and personal story of America's descent into Vietnam from a unique point of view and is one of the most enlightening books about government ever written This new edition features a new Foreword by McNamara of photos Military History From the Trade Paperback edition *The Encyclopedia of the Vietnam War* Bloomsbury Publishing, 2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today's world Now in its second edition *The Encyclopedia of the Vietnam War A Political Social and Military History* adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO *The Joint Chiefs of Staff and the War in Vietnam, 1960-1968: 1960-1968* Graham A. Cosmas, 2009 **The Joint Chiefs of Staff and the War in Vietnam, 1960-1968: 1960-1963** Jack Shulimson, 2011 **The Vietnam War** James H. Willbanks, 2017-11-22 The Vietnam War remains one of the most contentious events in American history This book is a collection of essays that seeks to examine the current state of scholarship on the war and its aftermath It is divided into five sections which address American

presidents and the war the conduct of the war in the field the impact of the Tet Offensive the meaning of the war and its lasting legacies The purpose of the collection is to present the most recent contributions to the continuing academic and scholarly dialogue about one of the most momentous historical events of the twentieth century The Joint Chiefs of Staff and the War in Vietnam, 1960-1968 ,2009 *The Joint Chiefs of Staff and the War in Vietnam, 1960-1068, Part 2* ,2012

America, Empire of Liberty David Reynolds,2009-10-06 The best one volume history of the United States ever written Joseph J Ellis It was Thomas Jefferson who envisioned the United States as a great empire of liberty This paradoxical phrase may be the key to the American saga How could the anti empire of 1776 became the world s greatest superpower And how did the country that offered unmatched liberty nevertheless found its prosperity on slavery and the dispossession of Native Americans In this new single volume history spanning the entire course of US history from 1776 through the election of Barack Obama prize winning historian David Reynolds explains how tensions between empire and liberty have often been resolved by faith both the evangelical Protestantism that has energized American politics for centuries and the larger faith in American righteousness that has driven the country s expansion Written with verve and insight Empire of Liberty brilliantly depicts America in all of its many contradictions *A History of Counterinsurgency* Gregory Fremont-Barnes,2015-05-05 This two volume history of counterinsurgency covers all the major and many of the lesser known examples of this widespread and enduring form of conflict addressing the various measures employed in the attempt to overcome the insurgency and examining the individuals and organizations responsible for everything from counterterrorism to infrastructure building How and when should counterinsurgency be pursued as insurgency is growing in frequency and conversely while conventional warfare continues to decline as a means by which political rivals seek to impose their will upon each other What lessons from the past should today s policymakers strategists military leaders and soldiers in the field keep in mind while facing off against 21st century insurgents This two volume set offers a comprehensive history of modern counterinsurgency covering the key examples of this widespread and enduring form of conflict It identifies the political military social and economic measures employed in attempting to overcome insurgency examining the work of the individuals and organizations involved demonstrating how success and failure dictated change from established policy and carefully analyzing the results Readers will gain valuable insight from the detailed assessments of the history of counterinsurgency that demonstrate which strategies have succeeded and which have failed and why After an introductory essay on the subject each chapter provides historical background to the insurgency being addressed before focusing on the specific policies pursued and actions taken by the counterinsurgency force Each section also provides an assessment of those operations including in most cases an analysis of lessons learned and where appropriate their relevance to counterinsurgency operations today The set s coverage spans modern counterinsurgencies from Europe to Asia to Africa since 1900 and includes the ongoing counterinsurgency operations in Afghanistan today Its wide international approach to the subject makes the set a prime resource for readers

seeking specific information on a particular conflict or a better understanding of the general theories and practices of counterinsurgency

The Joint Chiefs of Staff and the War in Vietnam, 1960-1968: 1960-1968 (pt. 2) Graham A. Cosmas, 2009 Pt 1 This volume describes those JCS activities related to developments in Vietnam during the period 1960-1963 when the United States expanded its initial military commitment to Southeast Asia In 1960 the United States increased its military advisory strength in South Vietnam in response to increased Communist infiltration and to more sustained guerrilla attacks in the south and its contingency planning effort to deploy regular US forces to both Laos and South Vietnam to counter any threat by Communist Army units from the north or from China President Kennedy's called for a new emphasis upon guerrilla warfare at first received only lukewarm support from the Joint Chiefs of Staff After the failed Bay of Pigs episode very early in the Kennedy administration the President lost faith in the advice of the Joint Chiefs of Staff and appointed General Maxwell Taylor to serve as his intermediary with the Joint Chiefs until he assumed the Chairman responsibilities in October 1962 The Kennedy administration's policy was marked by clashes between factions in the Defense Department including the Joint Chiefs of Staff the State Department and the White House By 1963 these differences involved the support the US should provide for the Republic of Vietnam under its President Ngo Dinh Diem The history ends with the killing of Diem by a coup followed by the coincidental murder of President Kennedy a short time later

The Joint Chiefs of Staff and the War in Vietnam, 1960-1968: 1964-1966 Jack Shulimson, 2011

US Army Psychiatry in the Vietnam War Norman M. Camp, 2014 NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT OVERSTOCK SALE

Significantly reduced list price This book tells the mostly forgotten story of the accelerating mental health problems that arose among the troops sent to fight in South Vietnam especially the morale discipline and heroin crisis that ultimately characterized the second half of the war This situation was unprecedented in U S military history and dangerous and reflected the fact that during the war America underwent its most divisive period since the Civil War and as a result the war became bitterly controversial The author is a career Army psychiatrist who led a psychiatric unit in Vietnam In the years following his return he was dismayed to discover that the Army had conducted no formal review of this alarming situation including from the standpoint of military psychiatry and had lost or destroyed all of the pertinent clinical records In addition to permitting a study of the psychological wounds and their treatment in Vietnam these records would have been priceless in the treatment of the legions of veterans who presented serious adjustment problems and Post traumatic Stress Disorder As a consequence Dr Camp has been relentless in combing the professional civilian and surviving military literature including unpublished documents to construct a compelling narrative documenting the successes and failures of Army psychiatry and the Army leadership in Vietnam in responding to these psychiatric and behavioral challenges The result is a book that is both scholarly and intensely personal includes vivid case material and anecdotes from colleagues who also served there and is replete with illustrations and correspondence It presents the story of Vietnam in a fresh manner through the psychiatrist's

eyes and sensibilities *Shadows of Vietnam* Frank E. Vandiver, 1997 Compellingly addressing long standing questions of whether the White House had become isolated from public opinion and whether Johnson was hardened to the voices raised against the war Vandiver shows the president as a man who agonized raged and grew in response to crises in Vietnam and at home *The Vietnam War Re-Examined* Michael Kort, 2018 An overview of the revisionist case on the Vietnam War showing how it could have been won by the US at a lower cost than was suffered in defeat [Enduring Vietnam](#) James Wright, 2017-04-04 This powerful and heartbreaking history of the Vietnam War looks not only at the conflict but the generation caught up in its horrors and consequences Booklist The Vietnam War is largely recalled as a mistake either in the decision to engage there or in the nature of the engagement Or both Veterans of the war remain largely anonymous figures accomplices in the mistake Critically recounting the steps that led to the war this book does not excuse the mistakes but it brings those who served out of the shadows *Enduring Vietnam* recounts the experiences of the young Americans who fought in Vietnam and of families who grieved those who did not return The book describes the baby boomers growing up in the 1950s why they went into the military what they thought of the war what it was like to serve in Nam and to come home With a rich narrative of the Battle for Hamburger Hill and through substantial interviews with those who served the book depicts the cruelty of this war and its quiet acts of courage James Wright's *Enduring Vietnam* provides an important dimension to the profile of an American generation and a rich account of an American War [Military Review](#), 2010-07 *US Army Psychiatry in the Vietnam War: New Challenges in Extended Counterinsurgency Warfare* Norman M. Camp, 2015-03-15 NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT OVERSTOCK SALE Significantly reduced list price During Vietnam War 1965 1973 the US Army suffered a severe breakdown in soldier morale and discipline in Vietnam matters that are not only at the heart of military leadership but also ones that overlap with the mission of Army psychiatry The psychosocial strain on deployed soldiers and their leaders in Vietnam especially during the second half of the war produced a wide array of individual and group symptoms that thoroughly tested Army psychiatrists and mental health colleagues there This book seeks to consolidate a history of the military psychiatric experience in Vietnam through assembling and synthesizing extant information from a wide variety of sources documenting the success and failure of Army's psychiatry in responding to the psychiatric and behavioral problems that changed and expanded as the war became protracted and bitterly controversial Mental health professionals especially psychiatrists in both military and civilian professions as well as military historians researching the Vietnam era may be interested in this volume Related products A Shared Burden The Military and Civilian Consequences of Army Pain Management Since 2001 can be found here <https://bookstore.gpo.gov/products/sku/008/000/011516> Mild Traumatic Brain Injury Rehabilitation Toolkit can be found here <https://bookstore.gpo.gov/products/sku/008/020/016322> Textbooks of Military Medicine Pt 1 Warfare Weaponry and the Casualty Military Psychiatry Preparing in Peace for War can be found here <https://bookstore.gpo.gov/products/sku/008/023/001120> **Professional Journal of the United States**

Army, 2010 The President as Leader Erwin C. Hargrove, 1998 Hargrove argues that political leadership must contain a moral element if it is to be fully effective He suggests a model with which to analyze compare and evaluate political leaders and then assesses the presidencies of Franklin Roosevelt Lyndon Johnson and Ronald Reagan according to the model s normative implications Jacket
