Guilty Not Guilty Felix Francis,2019-11-19 New York Times bestselling author Felix Francis returns with another nail biting thriller in the Dick Francis tradition It is said that everyone over a certain age can remember distinctly what they were doing when they heard that President Kennedy had been assassinated or that Princess Diana had been killed in a Paris car crash but I for one could recall all too clearly where I was standing when a policeman told me that my wife had been murdered Bill Russell is acting as a volunteer steward at Warwick races when he confronts his worst nightmare the violent death of his much loved wife But the aftermath proves much worse when he is accused of killing her and then hounded mercilessly by the media Losing his job and in danger of losing his home too Bill s life begins to unravel completely Even his best friends turn against him thinking him guilty of the heinous crime despite the lack of any compelling evidence As Bill sets

out to clear his name he finds that proving one's innocence isn't easy. He believes he can track down the true culprit but can he prove it before he becomes the murderer's next victim. *Guilty Not Guilty* is a journey of greed and jealousy set against the grief of personal tragedy with many a twist and turn along the way.
