**Cross-Border Cosmopolitans** Wendell Nii Laryea Adjete, 2022-12-06 African American history from 1900 to 2000 cannot be told without accounting for the significant influence of Pan African thought just as the story of twentieth century U S foreign policy cannot be told without accounting for fears of an African World In the early 1900s Marcus Garvey and his followers perceived the North American mainland particularly Canada following U S authorities deportation of Garvey to Jamaica as a forward operating base from which to liberate the Black masses from colonialism After World War II Vietnam War resisters Black Panthers and Caribbean students joined the throngs of cross border migrants to denounce militarism imperialism and capitalism In time as urban uprisings proliferated in northern U S cities the prospect of coalitions among the Black Power Red Power and Quebecois Power movements inspired U S and Canadian intelligence services to collaborate infiltrate and sabotage Black organizations across North America Assassinations of Black messiahs further radicalized revolutionaries rekindling the dream for an African World from Washington D C to Toronto to San Francisco to Antigua to Grenada and back to Africa Alarmed Washington s national security elites invoked the Cold War as the reason to counter the triangulation of Black Power in the Atlantic World funneling arms clandestinely from the United States and Canada to the Caribbean and then to its proxies in southern Africa By contending that twentieth century global Black liberation movements began within the U S Canadian borderlands as cross border continental struggles Cross Border Cosmopolitans reveals the revolutionary legacies of the Underground Railroad and America s Great Migration and the hemispheric and transatlantic dimensions of this history

*The Night of the Panthers* Piergiorgio Pulixi, 2015-08-25 A crooked cop behind bars makes a dangerous deal in this twist filled noir thriller set in Italy Inspector Biagio Mazzeo is the head of a special unit composed of cops trained in the investigation of organized crime He is a kind of father figure to these hard men and often leads them well beyond the confines of what s legal But now they ve been found out To save his men from being ensnared in a corruption scandal Mazzeo sacrifices himself and is tried and sentenced to jail time His sacrifice however isn t enough to get his men out of trouble His unit has stolen a shipment of drugs and its owners want it back This time Mazzeo s boys have messed around with the wrong drug cartel for these are no ordinary criminals This is the Ndrangheta the infamous Calabrian mafia that is known to stop at nothing to get what s theirs From behind bars Mazzeo has only one way of helping his men a deal with a young female police officer who promises he will be released and all charges will be dropped if Mazzeo embarks on a suicide mission to put an end to an underworld war In a gripping crescendo of violence vendettas and corruption Biagio Mazzeo has to choose sides because this time it s not just his badge that s on the line but his life Pulixi has an amazing talent for plot development and an ability to throw readers off the scent by working in breathtaking twists Thriller Magazine

**The North Carolina Gazetteer, 2nd Ed** William S. Powell, Michael Hill, 2010-06-15 The North Carolina Gazetteer first appeared to wide acclaim in 1968 and has remained an essential reference for anyone with a serious interest in the Tar Heel

State from historians to journalists from creative writers to urban planners from backpackers to armchair travelers This revised and expanded edition adds approximately 1 200 new entries bringing to nearly 21 000 the number of North Carolina cities towns crossroads waterways mountains and other places identified here The stories attached to place names are at the core of the book and the reason why it has stood the test of time Some recall faraway places Bombay Shanghai Moscow Berlin Others paint the locality as a little piece of heaven on earth Bliss Splendor Sweet Home In many cases the name derivations are unusual sometimes wildly so Cat Square Huggins Hell Tater Hill Whynot Telling us much about our own history in these snapshot histories of particular locales The North Carolina Gazetteer provides an engaging authoritative and fully updated reference to place names from all corners of the Tar Heel State **This Land Is Your Land RD**

Moore,2023-06-10 This land was made for you and me This is the emphatic refrain of Woody Guthrie s iconic anthem a profound rendering of one of our nation s most sacred truths Yet for far too many and for far too long this hasn t felt like a land made for them or one that even wants them And that s just not sustainable This Land Is Your Land TLIYL is a telling of our social story through the lens of the American people how we became who we are and who we re in the process of becoming It s about the systems we built both generative and degenerative from democracy and equality to slavery and social supremacy and how everything about us is changing Right this minute we re in the midst of the greatest sociological shift in U S history one where in every way we currently measure we ll soon be a post majority nation By 2045 incumbent majorities from racial whiteness to Christianization to heteronormativity will all be downgraded to minority status This Time of Turmoil one where everything s shifting is why we re experiencing so much unrest and instability from rising poverty to increasingly caustic elections to diminishing human regard But it s also why getting this right has never been more important or mattered more A combination of personal vignettes and cultural analysis TLIYL covers 300 years of shared history one that s been shaped by nearly 550 million lives lived and explores how together we move forward It s a story with three parts Part One How the American Race Construct ARC and other toxic frameworks impaired us Part Two How the Degenerative Cycle DGC and other predatory processes imperiled us Part Two and Part Three How through personal practices like the Four Actions each of us can help us become a society that embraces all of us Today we find ourselves in a bit of a tough place But instead of an ending this shift we re undergoing might actually be a beginning a chance to both make our founding dreams real and gift the future a future And in doing so we transform ourselves into a new land one as Woody sang made for you and me

*Framing the Black Panthers* Jane Rhodes,2017-01-30 A potent symbol of black power and radical inspiration the Black Panthers still evoke strong emotions This edition of Jane Rhodes s acclaimed study examines the extraordinary staying power of the Black Panthers in the American imagination Probing the group s longtime relationship to the media Rhodes traces how the Panthers articulated their message through symbols and tactics the mass media could not resist By exploiting press coverage through everything from posters to public appearances to photo ops the Panthers created a

linguistic and symbolic universe as salient today as during the group's heyday. They also pioneered a sophisticated version of mass media activism that powers contemporary African American protest. Featuring a timely new preface by the author, *Framing the Black Panthers* is a breakthrough reconsideration of a fascinating phenomenon. — *Wake's Claim: A YA Wolf Shifter Paranormal Romance* Michelle Dare, 2023-06-21 If you love possessive shifters, mischievous fae, powerful mages, and cocky vampires, dive into the world of Avynwood from USA Today Bestselling Author Michelle Dare. Wolf shifter Wake had lived in fear for far too long. Life hadn't been easy for him. Every day the shifter resisted his natural instincts to claim the one female meant for him. An event from his past stopped him in his tracks every time his primal urges pushed him toward her. Paige accepted the role she played in Wake's life. She was the one he wanted but never allowed himself to have. But when someone else showed interest in her, Wake had to decide once and for all. Putting his heart on the line left the shifter vulnerable, something he never wanted to be again. And just when he gave in to his instincts, fate dealt the pair a cruel hand. Nightmares came true, causing Paige to flee to the only place she felt safe: in the arms of Wake. Pack life wasn't an easy life, but Paige wouldn't give up the shifter who held her heart. Only together could the two move forward and find the happiness they both deserved. *Wake's Claim* is book one in the *Paranormals of Avynwood* paranormal romance series. It features a wolf trying to find his place, a human who got caught up in the paranormal world thanks to her best friend, a meddling wolf shifter, pack cocky vampires, and a HEA. Each book in the series can be read as a standalone but is better enjoyed when read in order.

*An International History of the Black Panther Party* Jennifer B. Smith, 1999 This work uncovers the global history of the Black Panther Party, a key post-civil rights organization, and shows how an international approach broadens and changes our understanding of African American history. Given the increasing public interest in the Black Panthers, this study seeks to go beyond the myths and public persona of the organization. It examines the party's connections and activities in a variety of places, including Cuba, Algeria, and Europe, and demands that we look beyond national boundaries when discussing African American protest movements of the 1960s and 1970s. In addition, it provides an in-depth look at Panther activities in a seemingly unlikely place: Halifax, Nova Scotia, where the Panthers served as the catalyst for significant changes in race relations. This study also provides extensive background on the post-civil rights era, including the effects of a shift to a post-industrial economy, the disillusionment of many African Americans with the traditional civil rights organizations, and the effects of large-scale national demographic changes. — *Waking from the Dream* David L. Chappell, 2014-01-14 A sweeping history of the years after Martin Luther King's assassination and the struggle to keep the civil rights movement alive and realize King's vision of an equal society. The previously untold story of continuing struggle and posthumous inspiration that dominates this compelling and groundbreaking book will forever change the way civil rights historians view this era. — Raymond Arsenault, author of *Freedom Riders* In this arresting and groundbreaking account, David L. Chappell reveals that far from coming to an abrupt end with King's murder, the civil rights movement entered a new phase. It both grew and splintered.

These were years when decisive historic victories were no longer within reach the movement's achievements were instead hard won and their meanings unsettled From the fight to pass the Fair Housing Act in 1968 to debates over unity and leadership at the National Black Political Conventions to the campaign for full employment legislation to the surprising enactment of the Martin Luther King holiday to Jesse Jackson's quixotic presidential campaigns veterans of the movement struggled to rally around common goals Waking from the Dream documents this struggle including moments when the movement seemed on the verge of dissolution and the monumental efforts of its members to persevere For this watershed study of a much neglected period Chappell spent ten years sifting through a voluminous public record congressional hearings and government documents the archives of pro and anti civil rights activists oral and written remembrances of King's successors and rivals documentary film footage and long forgotten coverage of events from African American newspapers and journals The result is a story rich with period detail as Chappell chronicles the difficulties the movement encountered while working to build coalitions pass legislation and mobilize citizens in the absence of King's galvanizing leadership Could the civil rights coalition stay together as its focus shifted from public protests to congressional politics Did the movement need a single charismatic leader to succeed King and who would that be As the movement's leaders pushed forward they continually looked back struggling to define King's legacy and harness his symbolic power Waking from the Dream is a revealing and resonant look at civil rights after King as well as King's place in American memory It illuminates a time explores a cause and explains how a movement labored to overcome the loss of its leader **The Panther and the Wolf**
