Mathews Genesis Manual:

A Manual for Preaching Abraham Kuruvilla, 2019-10-15 Abraham Kuruvilla's *A Vision for Preaching* offered an integrated biblical and theological vision for preaching. *A Manual for Preaching* addresses the practical and perennial issue of how to move from the biblical text to an effective sermon. The author, a well-respected teacher of preachers, shows how to discern the text's theological meaning and let that meaning shape the development of the sermon. Clearly written and illustrated with Old Testament and New Testament examples, the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon manuscripts from Kuruvilla.

The American Booksellers Guide, 1868 The Injustice of Noah's Curse Justin Michael Reed, Associate Professor of Old Testament and the Hebrew Bible. Justin Michael Reed, 2025-12-02. This book provides a new literary interpretation of Noah's curse as unjust. Most interpreters acknowledge that in the context of Genesis 9:18-29, Noah's curse of Canaan seems to be an overreaction and off-target, but almost all readers, including ideologically motivated interpreters and modern biblical scholars with no desire to weaponize the curse, presume that a good interpretation should overcome the initial reaction that Noah's curse seems unjust. This book argues the opposite. Reading through the lens of interest convergence from critical race theory and performative utterances from speech act theory, this book proposes that intertextual connections between Genesis 9:18-29 and the stories in Genesis 2-3 show Noah and his actions as an ironic recurrence of the Adam and Eve narrative, and the injustice of Noah's curse serves as a crucial element in this ironic depiction and the primeval history as a whole. Subject Guide to Books in Print, 1983 Labor Relations Reference Manual, 1959 *Equally Yoked* Matthew R. Akers, 2016-03-03. During the past fifty years, Western culture has experienced a significant shift in its overall stance regarding multiethnic marriage. As a result, more North Americans than ever marry spouses whose ethnicity or culture differs from theirs. This trend also is observable in Christian circles. Unfortunately, few resources exist to help multiethnic couples maneuver through the potential minefield of cultural collision. The purpose of this volume is to provide such a resource. *Equally Yoked* examines the subject of multiethnic marriage from a biblical perspective before considering a history of the practice in North America over the last four centuries. Additionally, this book surveys the challenges that multiethnic Christian couples frequently encounter and offers premarital counseling propositions that will prove valuable to both counselors and couples who originate from diverse backgrounds.
