Just when she thinks things will stay the same life events change unpredictably. How is this reflected within the dynamics of a family? Peer relationships with schoolfriends sporting ambitions and family trauma provide the backdrop to a dramatic seaside adventure and missing person mystery with a strong hint of the supernatural. Events at the end of the novel are quite distant from those at the beginning however the sustaining element throughout is the ambition of the heroine which demonstrates that persistence and dedication can lead to achievement and fulfilment. **Hearings, Reports and Prints of the Senate Committee on Public Works** United States.
