**Murder in Torbaydos** Ian James Krender,2014-11-12 Old houses hide secrets sometimes dark ones In the 1970s London based family Marjorie Stanley and their theatrically bent son fall in love with a dilapidated Victorian seaside villa Dreaming of a better life they transform the property into a luxury guesthouse ignorant of the tragic events that occurred there at the beginning of the century They discover that their guests are not the only other occupants in the building The souls trapped within the house offer the temptation of wealth and power but all come with a deadly price Stanley supported by his ambitious wife enters political office Marjorie will stop at nothing to achieve her goals for her husband no matter who gets in the way Thirty years later an affluent gay couple Jez and Graham purchase the hotel which now unoccupied has once again fallen into disrepair They are blissfully unaware of the building s grisly past Jez falls under the influence of the spirits within the house rapidly achieving fame fortune and a life beyond his wildest imagination but the price is ultimately the corruption of his very soul Bound by a common destiny both Marjorie and Jez s fates lie inextricably intertwined across time connected to the house Their gruesome realization is that death is not necessarily a release Warning Occasional scenes of graphic violence From Tilbury to Torbay John Bridge,1888 **The Murders of Annie Hearn** Jonathan Oates,2024-06-30 In the

quaint seaside town of Bude Cornwall a seemingly innocent afternoon tea in 1930 unravels into a sinister tale of arsenic poisoning and mysterious disappearances When one of the three tea companions succumbs to the deadly toxin suspicions arose and the plot thickens as Annie Hearn one of the remaining survivors vanished without a trace As the press dug into Annie s enigmatic past unsettling stories emerged In the backdrop of this gripping mystery doctors grow wary of a peculiar pattern multiple deaths within the same house all linked by the insidious presence of arsenic This book delves into the heart of the investigation unraveling the intricate web of deceit betrayal and murder Who committed these heinous crimes and why The answers lie shrouded in the secrets of a Cornish village in this case that was later adapted by the legendary Agatha Christie in her Hercule Poirot novel *Sad Cypress* Prepare for a journey through the dark alleys of a bygone era where every sip of tea holds the potential for deadly secrets *Devon Murders* John Kiste,2012-02-29 It recounts several notable cases from the killing of Sarah and Edward Glass at Wadland Down in 1827 and the poisonings of Samuel Wescombe in Exeter in 1829 and William Ashford at Honiton Clyst in 1866 both by wives whose affections had gone elsewhere to the horrific murder of Emma Doidge and her boyfriend William Rowe by the former s jilted suitor at Peter Tavey in 1892 as well as the strangling of schoolgirl Alice Gregory in 1916 and the triple murder of Emily Maye and her daughters at West Charleton Kingsbridge in 1936 which remains unsolved to this day Above all there is an account of Devon s most famous case the murder of Emma Keyse at Babbacombe and the convicted servant John Lee the man they couldn t hang John Van der Kiste s carefully researched well illustrated and enthralling text will appeal to anyone interested in the shady side of Devon s history

**Bodies in the Back Garden - True Stories of Brutal Murders Close to Home** Nigel Cawthorne,2014-08-07 There is one problem which every killer must face how to get rid of the body Murderer Dennis Nilsen famously cooked the corpses of his victims and flushed them down the toilet only to be caught when the sewers blocked up But his first 12 victims were disposed of in the back garden of his previous home Fred and Rosemary West buried the bodies of three of their victims in the back garden Milwaukee cannibal Jeffrey Dahmer began his murderous career scattering human remains in the backyard of his parents home in Bath Ohio Convicted killer Peter Tobin went back on trial after two more bodies were found in the back garden of his former home And grisly granny Dorothea Puente murdered lodgers at her boarding house in Sacramento California dispatching them to the backyard while continuing to cash their Social Security checks This book explores these and many other cases that suggest that whatever the motive for murder the back garden is a convenient place to dump the corpse

**Agatha Christie's True Crime Inspirations** Mike Holgate, 2011-11-08 Fact proves far stranger than fiction in this collection of real life crimes scandals tragedies and murders which either influenced the works of the world s most popular mystery writer or affected the lives of many famous personalities involved in her long and brilliant career Discover the truth behind many of her books such as how the exploits of Jack the Ripper inspired the serial killings in The ABC Murders and how the plot twist in The Murder of Roger Ackroyd was suggested by Lord Mountbatten This book also reveals how many of her illustrious acquaintances found themselves immersed in episodes so bizarre that they could have been written by Christie herself including how the father of Miss Marple actress Margaret Rutherford committed murder and Poirot actor Peter Ustinov witnessed the assassination of a world leader Agatha Christie s True Crime Inspirations is a fascinating addition to Christie literature focusing on little known parts of this iconic writer s life and career From her early roots in Torquay to her infamous eleven day disappearance no stone is left unturned as the events of her own life are revealed to be every bit as intriguing as her world renowned novels      *Brumlingham hall* James Blyth, 1911      **Discourse and Contemporary Social**

**Change** Norman Fairclough, 2007 This book draws together a rich variety of perspectives on discourse as a facet of contemporary social change representing a number of different disciplines theoretical positions and methods The specific focus of the volume is on discourse as a moment of social change which can be seen to involve objects of research which comprise versions of some or all of the following research questions How and where did discourses narratives emerge and develop How and where did they achieve hegemonic status How and where and how extensively have they been recontextualized How and where and to what extent have they been operationalized The dialectical approach indicated above implies that discourse analysis includes analysis of relations between language more broadly semiosis and its social context

**Shield of Empire** Brian Lavery,2012-11-01 The Royal Navy has always been seen as an English institution despite a

large Scottish contribution from Admiral Duncan at Camperdown in 1797 to Andrew Cunningham in the Second World War. The Royal Navy's most dramatic effect on Scotland aside from its role in the British Empire and European wars was in suppressing the Jacobite campaigns from 1708 to 1746. This book breaks new ground in telling the stories of almost forgotten campaigns such as the submarine war in the Firth of Forth in 1914-18. In two world wars and since the 1960s a large proportion of the Navy's power has been based in Scotland from the Grand Fleet at Scapa Flow to Trident submarines at Faslane. Most British sailors of the Second World War had part of their training in Scotland and the famous base at Tobermory was only one of many. Yet the Navy never felt at home in Scotland. As one Scottish admiral put it: 'In both wars the Royal Navy flooded into Scotland to make use of our deep water ports and sea lochs for large scale and safer anchorages. After each war the Navy unimaginatively retreated en masse to the Channel.' The book ends with a unique account of the setting up of the controversial missile bases in the Holy Loch and Gareloch. Brian Lavery then looks at the future in order to determine the effect devolution and possible independence might have on Scotland and the Royal Navy.
