

Contemporary Drumset Solos

8 original solos in a
variety of popular styles
by Murray Houllif

F O R E W O R D

The solos in this collection represent a variety of contemporary styles as played by the popular drummers of today, including swing, be-bop and modern jazz, jazz Latin, jazz fusion and funk rock, and rudimental. Their intent is to aid the drummer in expanding his/her vocabulary on the set through use of coordinated independence, melodicism (as applied to what is generally regarded as a non-melodic instrument), advanced drum breaks and fills, dance beats, different coloristic and tonal possibilities, dynamics, etc. In addition, reading ability and overall musicality should be enhanced. These solos can be used effectively in recital, solo contest, audition, jury examination, and teaching studio situations.
