## **Musings In Poetry:**

Musings in Poetry Anna Belle Shepard, 2015-01-07 A collection of thoughts reflections and musings in poetry The poems are about love life and relationships as the author now in the golden years of her life traveled and lived through the years to the place she finds herself today She keeps busy with volunteer work as well as friends and family activities *Musings in Poetry* Edward Gavurin, 2006-02-01 Musings in Poetry is a new collection of poems by Edward Gavurin The poems are a product of streaming consciousness reflecting the ever changing succession of thoughts ideas beliefs and moods that led to the wide ranging topics expressed The reader therefore is in for a surprise as he she goes from one poem to another While Gavurin s earlier books *Scenes and Themes in Poetry* *Vagabond Poet* were composed primarily of narrative poems this volume is more diversified in content Among other things it deals with people nature emotion and the ever present issues of existence Every poem was crafted to keep the reader interested There is an unmistakable message in each of them which the author clarifies by providing a short phrase on the facing page Musings Ma Ra, 2018-07-20 What happens when attraction becomes affection It is when you see the person you heave a sigh It is when you see their smile your dismal day becomes sunny and bright It is when you hear their voice you go uh oh while your heart dances a do si do It is when you look into their eyes and all of a sudden thousands of shooting stars flicker and a vibrant moon bow starts illuminating the night sky And endless thoughts about the person start inhabiting your mind and you can not stop musing Musing thats what happens when attraction becomes affection It is when you still see them even if you close your eyes It is when you smile every time you think of them It is when you dance even to a silent tune It is when your normal day becomes extraordinary just because you remember them Now all your days and nights are occupied with thoughts of them and your journal is filled with your Musings More Musings and Poetry Victor Nippert, 2022-08-10 Vic Nippert brings us more of his ramblings through life from experiences he s had raising dogs to feeding crows and from dealing with dust bunnies rejection to butterflies in flight and migration And much more including Valentine covered underwear *More Musings and Poetry* is a continuation of the book *Musings* written by Vic Nippert and published by Covenant Books A collection of articles written for his church s newsletter *More Musings and Poetry* includes some of the poems he has written that were begun as a result of rough times in his later years some of the things we will all face or have already done so no matter what our ages Many of the articles were inspired by his own view of the energy and panoramic surroundings of his Hudson Valley home An expanse with important historic legends and stories from Rip Van Winkle The Revolutionary War the first steamboat mansions of millionaires along the Hudson River to contemporary changes in towns and cities undergoing organic transformations on the banks up the Hudson River But the people and their viewpoints and behavior change slower than the building construction and store fronts around them and it s the people that Vic observes that he writes about and the meaning of their lives And his life too The famous writer J R R Tolkien wrote in *The Fellowship of the Ring* a much used quote Not all who wander are lost And this is the goal

of many of Vic's writings and musings Each one of us has an observation about our goals in life and how we may or may not succeed in reaching them But we all are looking for our own meaning in life and it may take some time to attain what that goal is Many times the wandering can be quite amusing teaching us that the voyage itself was the real goal all along Enjoy
