The Bullet Tom Lee,2024-05-02 A powerful and deeply personal exploration of mental health and an indelible account of the legacy of familial illness and living with a fracturing mind Like many people Tom Lee remembers the presence somewhere out of sight on the outskirts of town of the local psychiatric hospital It was a place that inspired jokes rumours and dread a place where the strange and deranged were kept away But among those people were at different times Tom s own parents Afterwards those times were not much spoken about and before long the hospital closed as part of the nationwide shutting down of psychiatric institutions For many years Tom believed that he had dodged the bullet of the mental illness that had marked the lives of his parents But then quite out of the blue he has a crisis of his own and finds himself returning to the past for clues The Bullet is an attempt to piece together and understand what happened to his parents and what happened to him It is also a story about how we have tried and spectacularly failed to care for people suffering with mental illness and about the terrifying fragility and unknowability of the human mind
