Mitford meets Mayberry in the first book of the Coming Home to Ruby Prairie series In the small town of Ruby Prairie Texas even the most blessed of plans can go amazingly awry A Town Called Ruby Prairie tells the story of newly widowed Charlotte Carter who moves to town with plans to open a foster home for troubled girls Fiercely independent and determined to succeed on her own Charlotte soon learns that caring for six teens is much more challenging than she expected One crisis follows another until the quirky good hearted people of Ruby Prairie rally their support to keep the home open This humorous and inspirational story celebrates the joys found in the simple things of life faith friends family and community *American Discord* Lesley J. Gordon, Megan L. Bever, Laura Mammina, 2020-05-20 A panoramic collection of essays written by both established and emerging scholars American Discord examines critical aspects of the Civil War era including rhetoric and nationalism politics and violence gender race and religion Beginning with an overview of the political culture of the 1860s the collection reveals that most Americans entered the decade opposed to political compromise Essays from Megan L Bever Glenn David Brasher Lawrence A Kreiser Jr and Christian McWhirter discuss the rancorous political climate of the day and the sense of racial superiority woven into the political fabric of the era Shifting focus to the actual war Rachel K Deale Lindsay Rae Privette Adam H Petty and A Wilson Greene contribute essays on internal conflict lack of compromise and commitment to white supremacy Here contributors adopt a broad understanding of battle considering environmental effects and the impact of the war after the battles were over Essays by Laura Mammina and Charity Rakestraw and Kristopher A Teters reveal that while the war blurred the boundaries it ultimately prompted Americans to grasp for the familiar established hierarchies of gender and race Examinations of chaos and internal division suggest that the political culture of Reconstruction was every bit as contentious as the war itself Former Confederates decried the barbarity of their Yankee conquerors while Republicans portrayed Democrats as backward rubes in need of civilizing Essays by Kevin L Hughes Daniel J Burge T Robert Hart John F Marszalek and T Michael Parrish highlight Americans continued reliance on hyperbolic rhetoric American Discord embraces a multifaceted view of the Civil War and its aftermath attempting to capture the complicated human experiences of the men and women caught in the conflict These essays acknowledge that ordinary people and their experiences matter and the dynamics among family members friends and enemies have far reaching consequences

Grits I felt it appropriate to keep them as true to the originals as I could When I compiled the devotions into this book and was thinking of a title I realized that Grits spelled out God Reigns in the South and knew that had to be the title I am sure that was a little divine intervention I also had taken many photographs a love of mine that amazingly coincided with the themes of many of the stories so I decided to include them also I never imagined that the pictures and stories would come together to tell a story but God had a plan all along and therefore the creation of Grits God Reigns in the South This book of devotions developed because of the love and encouragement of my friends and family I thank them all for the love and happiness they give to me each day and especially my husband for his patience his support for this project and his understanding as I spent many hours at the computer I also can not possibly thank my special friends Beth Renken and John Hope who proof read and corrected my many mistakes The original goal of this project was to try and strengthen the faith of my family and friends but in the end it was actually my own faith that was renewed and strengthened I pray that as you read this book your faith will be strengthened you will find comfort in times of need and that you will find joy in the world all around you Read and Enjoy Love Grits
