Interracial Justice Eric K. Yamamoto, 2000-12 The United States in the twenty first century will be a nation of so called minorities Shifts in the composition of the American populace necessitate a radical change in the ways we as a nation think about race relations identity and racial justice Once dominated by black white relations discussions of race are increasingly informed by an awareness of strife among nonwhite racial groups While white influence remains important in nonwhite racial conflict the time has come for acknowledgment of ways communities of color sometimes clash and their struggles to heal the resulting wounds and forge strong alliances Melding race history legal theory theology social psychology and anecdotes Eric K Yamamoto offers a fresh look at race and responsibility He tells tales of explosive conflicts and halting conciliatory efforts between African Americans and Korean and Vietnamese immigrant shop owners in Los Angeles and New Orleans He also paints a fascinating picture of South Africa s controversial Truth and Reconciliation Commission as well as a pathbreaking Asian American apology to Native Hawaiians for complicity in their oppression An incisive and original work by a highly respected scholar Interracial Justice greatly advances our understanding of conflict and healing through justice in multiracial America

Joseph, 2022-09-06 One of our preeminent historians of race and democracy argues that the period since 2008 has marked nothing less than America s Third Reconstruction In The Third Reconstruction distinguished historian Peniel E Joseph offers a powerful and personal new interpretation of recent history The racial reckoning that unfolded in 2020 he argues marked the climax of a Third Reconstruction a new struggle for citizenship and dignity for Black Americans just as momentous as the movements that arose after the Civil War and during the civil rights era Joseph draws revealing connections and insights across centuries as he traces this Third Reconstruction from the election of Barack Obama to the rise of Black Lives Matter to the failed assault on the Capitol America s first and second Reconstructions fell tragically short of their grand aims Our Third Reconstruction

offers a new chance to achieve Black dignity and citizenship at last an opportunity to choose hope over fear **Brendan's Return Voyage: A New American Dream** Ray Simpson, 2021-03-31 A myth is reviving in the USA which recent research validates that Saint Brendan voyaged over three thousand miles from Ireland to America to evangelize it but when the Indians near the Mississippi welcomed him he realized Jesus was already there In humility he returned home In contrast USA missions have taken a colonial approach to evangelizing Native American tribes requiring converts to rubbish their culture and accept white culture as Christian This book discerns the Creator s imprints in indigenous tribes It identifies some fault lines in USA and Western society and church e g white supremacy manifest destiny and the twin towers of empire building and separatism Churches need to repent of these false gods They need to break free from the prison of consumerism and become open to the prophetic spirit The book also explores the Creator s imprints in white American culture and the Christian spirituality of the Euro Americans indigenous forbears the Celts The book outlines ways in which in these fading decades of Western supremacy and despite polarization indigenous settler and immigrant peoples may journey together as modern followers of the Way Those who rise to this challenge undertake a new Brendan s Voyage and create a new American dream The Future War of the Church Chuck D. Pierce, Rebecca Wagner Sytsema, 2007-09-04 In The Future War of the Church Chuck Pierce and Rebecca Wagner Sytsema shared a vision from God They showed lay people intercessors and church leaders how to advance God s Kingdom and use worship prayer and spiritual warfare to overcome the lawlessness and violence in our society and the world during the current 7 year season of war from 2001 2008 Readers will not want to miss this revised and updated edition with a brief historical background at the beginning of each chapter which offers an update on the prophetic words from 2001 and what came to pass The authors urge readers to press on as the Lord is still calling His people to come against works of darkness with boldness and power from on high No demonic force including lawlessness will be able to stand against a fully functioning Body of Christ Operating properly in the gifts will lead us back to love where we can work together according to the heart of God *Elijah Among Us* John Loren Sandford, 2002-06-01 Twenty five years after the release of his ground breaking book The Elijah Task co authored with his wife Paula a sequel comes from the powerful pen of John Sandford In *Elijah Among Us* he outlines a biblically rooted discussion of prophetic history and functioning both how to instruct prophets and commission their office and how to inform the church about prophetic ministry Sandford wrote this follow up book because he sees a strong and even dangerous overemphasis in the church on the giving of personal words which is only one role of the prophetic office The first section of this book develops a history of the prophetic office how the office metamorphosed from one of warning into proclaiming God s gentle and merciful side and becoming burden bearers Second Sandford sets forth the working functions of prophets explaining how they serve in twelve major roles including bringing blessings healing warning of impending judgment giving protection from tragedies and offering direction guidance or confirmation Readers will gain crucial knowledge of a widely misunderstood topic helping them be

discerning in these strategic end times Authoritative and compelling Elijah Among Us is a timely and vital work for the Body of Christ

Living in Color Randy Woodley,2010-02-28 We would never give Picasso a paintbrush and only one color of paint and expect a masterpiece writes Randy Woodley We would not give Beethoven a single piano key and say Play us a concerto Yet we limit our Creator in just these ways Though our Christian experience is often blandly monochromatic God intends for us to live in dynamic multihued communities that embody his vibrant creativity Randy Woodley a Keetowah Cherokee casts a biblical multiethnic vision for people of every nation tribe and tongue He carefully unpacks how Christians should think about racial and cultural identity demonstrating that ethnically diverse communities have always been God s intent for his people Woodley gives practical insights for how we can relate to one another with sensitivity contextualize the gospel combat the subtleties of racism and honor one another s unique contributions to church and society Along the way he reckons with difficult challenges from our racially painful history and offers hope for healing and restoration With profound wisdom from his own Native American heritage and experience Woodley s voice adds a distinctive perspective to contemporary discussions of racial reconciliation and multiethnicity Here is a biblical vision for unity in diversity

Intercession James W. Goll,2011-07-28 The words of the intercessor are a power force for healing the wounds of the past and shaping the course of history This book will help the intercessor release those words into the heavens and bring down God s will on earth Goll shifts the focus of intercession away from the typical shot gun approach of praying for the whole world in a single prayer At the same time he impressively portrays how you can focus your prayer on what God desires as opposed to what you need

and saw our needs However the church must initiate a nationwide revival to accompany the reformation promised by Donald Trump so that the reformation remains for more than just his presidency Simply put America is at the crossroads of revolution and civil war or reformation and revival in other words the crossroads of The End or The Last Chance God orchestrated the reformation through the landslide victory of Donald Trump and a conservative majority US Senate and House Now it s on the church to conduct a nationwide revival to accompany the reformation because both are needed to feed on and maintain each other as comprehensively explored in volume 6 Now it s on the church to conduct a nationwide revival to accompany the reformation
