Healthy People 2010 Congressional Report:

Congressional Record United States. Congress, 2001 Prevention Report, 1998 **150 Years of ObamaCare** Daniel E. Dawes, 2018-03-30 Go behind the curtain of the creation and implementation of the Affordable Care Act In this groundbreaking book health care attorney Daniel E Dawes explores the secret backstory of the Affordable Care Act shedding light on the creation and implementation of the greatest and most sweeping equalizer in the history of American health care An eye opening and authoritative narrative written from an insider's perspective 150 Years of ObamaCare debunks contemporary understandings of health reform It also provides a comprehensive and unprecedented review of the health equity movement and the little known leadership efforts that were crucial to passing public policies and laws reforming mental health minority health and universal health An instrumental player in a large coalition of organizations that helped shape ObamaCare Dawes tells the story of the Affordable Care Act with urgency and intimate detail He reveals what went on behind the scenes by including copies of letters and e mails written by the people and groups who worked to craft and pass the law Dawes explains the law through a health equity lens focusing on what it is meant to do and how it affects various groups Ultimately he argues that ObamaCare is much more comprehensive in the context of previous reform efforts than is typically understood In an increasingly polarized political environment health reform has been caught in the cross fire of the partisan struggle making it difficult to separate fact from fiction Offering unparalleled and complete insight into the efforts by the Obama administration Congress and external stakeholders 150 Years of ObamaCare illuminates one of the most challenging legislative feats in the history of the United States **Report to the Congress** Medicare Payment Advisory Commission (U.S.), 2004 **House Reports** , **Congressional Record** , Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 2005 United States.
