1862 1922 was an American author editor and satirist Sir Arthur Conan Doyle 1859 1930 was a British writer and physician most noted for creating the fictional detective Sherlock Holmes and his partner Dr Watson which is generally considered milestones in the field of crime fiction Once a Thief Kay Hooper,2002-10-01 With a priceless collection at stake Is everything for the taking It had taken centuries for Max Bannister s family to acquire their treasures and now he s been asked to risk his collection as bait for a master criminal For his own reasons Max allows a public exhibition and to protect the family fortune he must rely on the skills of his half brother a world class security expert and his smart and savvy exhibit director Morgan West But almost immediately Morgan comes face to face with the mysterious Quinn Interpol s most wanted thief for the past decade and a man who makes it very clear he has an eye on the Bannister collection And if that s not enough Morgan begins to realize that she s surrounded by secrets and lies and that someone very close to Max is moving behind the scenes intent on murder as well as robbery someone whose ultimate plan threatens to ruin them all The Collector Nora Roberts,2015-03-03 From 1 New York Times bestselling author Nora Roberts comes a novel about a woman who needs nothing a man who sees everything and the web of deceit greed and danger that brings them together and could tear them apart When professional house sitter Lila Emerson witnesses a murder suicide from her current apartment sitting job life as she knows it takes a dramatic turn Suddenly the woman with no permanent ties finds herself almost wishing for one Artist Ashton Archer knows his brother isn t capable of violence against himself or others He recruits Lila the only eyewitness to help him uncover what happened Chalking up their intense attraction to the heat of the moment Lila agrees to help Ash try to find out who murdered his brother and why From the penthouses of Manhattan to grand Italian villas their investigation draws them into a rarefied circle where priceless antiques are bought sold gambled away and stolen where what you possess is who you are and where what you desire becomes a deadly obsession **Mysteries Unlocked** Curtis Evans,2016-04-19 In honor of the 70th birthday of Professor Douglas G Greene mystery genre scholar and publisher this book offers 24 new essays and two reprinted classics on detective fiction by contributors around the world including ten Edgar Mystery Writers of America winners and nominees The essays cover a myriad of authors and books from more than a century from J S Fletcher s The Investigators originally serialized in 1901 to P D James Death Comes to Pemberley published at the end of 2011 Subjects covered include detective fiction in the Edwardian era and the Golden Age between the two world wars hard boiled detective fiction mysteries and intellectuals and pastiches short stories and radio plays **The Picture of Dorian Gray (Collector's Edition)** Oscar Wilde,2017-11-15 The Picture of Dorian Gray the only novel by Oscar Wilde was first published in 1890 A substantially revised and expanded edition was published in April 1891 For the new edition Wilde revised the content of the novel s existing chapters divided the final chapter into two chapters and created six entirely new additional chapters Whereas the original edition of the novel contains 13 chapters the revised edition of the novel contains 20 chapters The 1891 version was expanded from 13 to 20 chapters but also toned down particularly in some

of its overt homoerotic aspects Also chapters 3 5 and 15 to 18 are entirely new in the 1891 version and chapter 13 from the first edition is split in two becoming chapters 19 and 20 The novel tells of a young man named Dorian Gray the subject of a painting by artist Basil Hallward Dorian is selected for his remarkable physical beauty and Basil becomes strongly infatuated with Dorian believing that his beauty is responsible for a new mode of art The Picture of Dorian Gray is considered one of the last works of classic gothic horror fiction with a strong Faustian theme It deals with the artistic movement of the decadents and homosexuality both of which caused some controversy when the book was first published However in modern times the book has been referred to as one of the modern classics of Western literature Oscar Wills Wilde 1854 1900 was an Irish writer and poet After writing in different forms throughout the 1880s he became one of London s most popular playwrights in the early 1890s Today he is remembered for his epigrams his only novel The Picture of Dorian Gray his plays and poetry and the circumstances of his imprisonment and early death
