Deviants Paul Dale Anderson, 2016-03-10 Mark Wynn is a former homicide detective who lost his job and pension after he tracked down serial killer Brian Russell and killed him in cold blood out of revenge for his family being brutally murdered. Mark spent two years in prison and is now out on parole. When Mark's neighbor is murdered and dismembered in her apartment by a serial killer known as the cutter, Mark tries to track down the killer even though he is no longer a cop. Mark's ex-partner Mike Nelson and the new head of homicide Aaron Lester tell Mark to stay out of it, but Mark can't. Mark is an ex-con on parole and if he even touches a gun, he will go back to prison for the remainder of his twenty-year sentence. With only his wits to aid him, Mark attempts to thwart the killer's plans to attack again. *Deviants* is a thrill-packed tale of revenge gone wrong.

Honor Thy Father Nancy Chastain, 2021-06-25 Follow the breadcrumbs to the dark secrets of the city. The dead body behind the rec center brings a struggling community to its knees. No one believes the staged scene, especially not the people closest to the victim, the police chief's children. Corruption has embedded itself in the city, and something has to be done. Gina and Henry enlist the help of a long-time family friend and undercover cop to investigate TJ, who can't resist helping his teenage love, and his best friend positions himself inside the safe haven where he stumbles upon a little boy who holds the key. When the clues lead them deeper into the bowels of the criminal underworld, no one is safe. The more they figure out, the less protected they become. *Honor Thy Father* is a compelling romantic suspense novella with a heroic brother's best friend vibe, loosely based on Hansel Gretel.

The 10 Commandments of Money Liz Weston, 2011-12-27 A perfect read as a financial primer, Weston's solid and occasionally humorous writing shines through and takes this book from being yet another personal finance book to being an enjoyable read. I would recommend *The Simple Dollar*. Millions of us skate by from paycheck to paycheck. We all have financial goals we want or need to achieve but are perplexed by how to get there. But expert financial advisor Liz Weston has carved a path with ten simple strategies that help anyone avoid critical mistakes, survive downturns, and make the numbers work. Debunking well-trod myths, pay down all your debt immediately while giving unexpectedly brilliant tips, it's okay to let student loans linger. Liz Weston outlines everything you need to become financially viable, including how to know what you can afford, create a survival plan with cash and credit, manage good debt to get ahead, save for retirement without sacrificing today.

The Zyglo Inquiry Ron Christy, 2008-08 Is God really involved in the details of our lives? Does God orchestrate the myriad of events in our lives for our good? Romans 28:38 states, "And we know that all things work together for good to those who love God, to those who are called according to His purpose." The above scripture speaks of God's providence. Providence is frequently a mystery, yet it provides a steadfast anchor when we face life's challenges and difficulties. *The Zyglo Inquiry* is an action suspense novel about the reality of God's particular care and active involvement in the lives of His people. Matthew Webster had heard about the lofty concept of God's providence but had never experienced its truth. The challenges Matt faces will bring him face to face with the forces of evil that are beyond his capacity.

to combat His need to depend on God and others in order to survive and to discover the truth about what he has uncovered will shake him to the core This is the first in a series of books that Ron Christy plans to write featuring Matthew Webster
