How Fiction Works:

How Fiction Works James Wood, 2008-07-22 In the tradition of E M Forster's *Aspects of the Novel* and Milan Kundera's *The Art of the Novel* James Wood's *How Fiction Works* is a scintillating study of the magic of fiction an analysis of its main elements and a celebration of its lasting power Here one of the most prominent and stylish critics of our time looks into the machinery of storytelling to ask some fundamental questions What do we mean when we say we know a fictional character What constitutes a telling detail When is a metaphor successful Is Realism realistic Why do some literary conventions become dated while others stay fresh James Wood ranges widely from Homer to *Make Way for Ducklings* from the Bible to John le Carr and his book is both a study of the techniques of fiction making and an alternative history of the novel Playful and profound *How Fiction Works* will be enlightening to writers readers and anyone else interested in what happens on the page

, *How Fiction Works* James Wood, 2009 Wood ranges widely from Homer to Beatrix Potter from the Bible to John Le Carré and his book is both a study of the techniques of fiction making and an alternative history of the novel *How Fiction Works* James Wood, 2008-07-22 What makes a story a story What is style What's the connection between realism and real life These are some of the questions James Wood answers in *How Fiction Works* the first book length essay by the preeminent critic of his generation Ranging widely from Homer to David Foster Wallace from *What Maisie Knew* to *Make Way for Ducklings* Wood takes the reader through the basic elements of the art step by step The result is nothing less than a philosophy of the novel plainspoken funny blunt in the traditions of E M Forster's *Aspects of the Novel* and Strunk and White's *The Elements of Style* It sums up two decades of insight with wit and concision It will change the way you read *How Fiction Works* James Wood, 2008 *How Fiction Works* Oakley Hall, 2001-01-05 In 1989 Oakley Hall published *The Art and Craft of Novel Writing* a classic text that Pulitzer Prize winner Robert Stone called simply the best book in print to examine the strategies and necessities involved in the making of a novel Now he has expanded and deepened his instruction He has added exercises and all new examples as well as new advice on all forms of fiction including short stories short short stories even novellas He covers every fictive technique from plot and characterization to word choice voice and style The key to Hall's teaching method is his brilliant use of examples Throughout the book he emphasizes the importance of reading and evaluating fiction with an eye toward craft To this end he offers more than one hundred excerpts from fine literature showing the reader through analysis and advice how fiction works Oakley Hall is the author of fourteen mainstream novels and five mysteries His novel *Warlock* was nominated for the Pulitzer Prize and was made into a feature film For more than twenty years he was director of the writing program at the University of California at Irvine For many years he acted as general director of the programs in writing at the Squaw Valley Community of Writers He lives in San Francisco **21st Century Philosophy** James Ward, 2019-08-26 21st Century Philosophy uses selected popular texts all written in the last decade as a window through which to examine contemporary social and cultural issues What are the long term prospects for New

Atheism On balance is the United States chiefly a force for good or is it bent on hegemony Is the optimism of the Enlightenment a historical curiosity or can it be revived To what extent can quality fiction enlarge the modern imagination and how far are we stuck in a rut of banality What is the connection between academic ideals and the proliferation of kitsch What light can Rousseau or Russell Hume or Heidegger Schopenhauer or Sartre shed on these sorts of questions if any The book consists of eight essays that can be read in any order with a combined length of over 80 000 words The author has a master s degree and a DPhil both in Philosophy from Sussex University His doctoral thesis was examined in viva and passed unconditionally by David McLellan Emeritus Professor of Political Theory at the University of Kent and author of many standard texts about Marx in English In 1998 James Ward won joint first prize along with Martha Nussbaum and Lars G rding in a philosophical dialogues competition organised by the Humanities Research Centre at Oxford University and the Royal Dramatic Theatre in Stockholm Its subject was S ren Kierkegaard The dialogue was performed at the Royal Dramatic Theatre Stockholm in front of an invited audience and subsequently published in *Comparative Criticism* vol 20 Cambridge University Press 1998

The Critic in the Modern World James Ley,2014-05-08 The Critic in the Modern World explores the work of six influential literary critics Samuel Johnson William Hazlitt Matthew Arnold T S Eliot Lionel Trilling and James Wood each of whom occupies a distinct historical moment It considers how these representative critics have constructed their public personae the kinds of arguments they have used and their core principles and philosophies Spanning three hundred years of cultural history The Critic in the Modern World considers the various ways in which literary critics have positioned themselves in relation to the modern tradition of descriptive criticism In providing a lucid account of each critic s central principles and philosophies it considers the role of the literary critic as a public figure interpreting him as someone who is compelled to address the wider issues of individualism and the social implications of the democratising secularising liberalising forces of modernity

How Literature Works Kenneth Quinn,1992-07-21 In *How Literature Works* important issues of literary theory are vividly illustrated by application to a wide variety of texts many quoted and discussed at length The theoretical aspects covered include the structural characteristics of literary texts the psychology of the reading process and the social function of literature The book also deals with such general questions as the relationship between literary texts and objective prose and the relationship between poems written to work as songs and those in which the lyric form is used to develop an argument the singing and the speaking voice

Australian Fiction as Archival Salvage Frances A. Johnson,2015-11-16 Australian Fiction as Archival Salvage examines key developments in the field of the Australian postcolonial historical novel from 1989 to the present In parallel with this analysis A Frances Johnson undertakes a unique study of in kind creativity reflecting on how her own nascent historical fiction has been critically and imaginatively shaped and inspired by seminal experiments in the genre by writers as diverse as Kate Grenville Mudrooroo Kim Scott Peter Carey Richard Flanagan and Rohan Wilson Mapping the postcolonial novel against the impact of postcolonial cultural theory and

Australian writers intermittent embrace of literary postmodernism this survey is also read against the post millennial history and culture wars which saw politicizations of national debates around history and fierce contestation over the ways stories of Australian pasts have been written

The Work of Life Writing G. Thomas Couser, 2021-04-13 Life writing in its various forms does work that other forms of expression do not it bears on the world in a way distinct from imaginative genres like fiction drama and poetry it acts in and on history in significant ways Memoirs of illness and disability often seek to depathologize the conditions that they recount Memoirs of parents by their children extend or alter relations forged initially face to face in the home At a time when memoir and other forms of life writing are being produced and consumed in unprecedented numbers this book reminds readers that memoir is not mainly a literary genre or mere entertainment Similarly letters are not merely epiphenomena of our real lives Correspondence does not just serve to communicate it enacts and sustains human relationships Memoir matters and there s life in letters All life writing arises of our daily lives and has distinctive impacts on them and the culture in which we live

The Writer's Eye Amy E. Weldon, 2018-07-12 Learning to write starts with learning to do one big thing pay attention to the world around you even though just about everything in modern life makes this more difficult than it needs to be Developing habits and practices of observing and writing down what you notice can be the first step away from the anxieties and doubts that can hold you back from your ultimate goal as a writer discovering something to say and a voice to say it in The Writer s Eye is an inspiring guide for writers at all stages of their writing lives Drawing on new research into creative writers and their relationship with the physical world Amy E Weldon shows us how to become more attentive observers of the world and find inspiration in any environment Including exercises writing prompts and sample texts and spanning multiple genres from novels to nonfiction to poetry this is the ideal starting point for anyone beginning to write seriously and offers refreshing perspectives for experienced writers seeking new inspiration

The Novel and the New Ethics Dorothy J. Hale, 2020-11-24 For a generation of contemporary Anglo American novelists the question Why write has been answered with a renewed will to believe in the ethical value of literature Dissatisfied with postmodernist parody and pastiche a broad array of novelist critics including J M Coetzee Toni Morrison Zadie Smith Gish Jen Ian McEwan and

Jonathan Franzen champion the novel as the literary genre most qualified to illuminate individual ethical action and decision making within complex and diverse social worlds Key to this contemporary vision of the novel's ethical power is the task of knowing and being responsible to people different from oneself and so thoroughly have contemporary novelists devoted themselves to the ethics of otherness that this ethics frequently sets the terms for plot characterization and theme In *The Novel and the New Ethics* literary critic Dorothy J Hale investigates how the contemporary emphasis on literature's social relevance sparks a new ethical description of the novel's social value that is in fact rooted in the modernist notion of narrative form This new ethics of the contemporary moment has its origin in the new idea of novelistic form that Henry James inaugurated and which was consolidated through the modernist narrative experiments and was developed over the course of the twentieth century In Hale's reading the art of the novel becomes defined with increasing explicitness as an aesthetics of alterity made visible as a formalist ethics In fact it is this commitment to otherness as a narrative act which has conferred on the genre an artistic intensity and richness that extends to the novel's every word

Such Stuff as Dreams Keith Oatley, 2011-07-05 *Such Stuff as Dreams: The Psychology of Fiction* explores how fiction works in the brains and imagination of both readers and writers Demonstrates how reading fiction can contribute to a greater understanding of and the ability to change ourselves Informed by the latest psychological research which focuses on for example how identification with fictional characters occurs and how literature can improve social abilities Explores traditional aspects of fiction including character plot setting and theme as well as a number of classic techniques such as metaphor metonymy defamiliarization and cues Includes extensive end notes which ground the work in psychological studies Features excerpts from fiction which are discussed throughout the text including works by William Shakespeare Jane Austen Kate Chopin Anton Chekhov James Baldwin and others

Organisational Development in Practice Kevin Flinn, 2025-08-25 *Organisational Development in Practice: A Complexity Approach* draws on conventional critical and complexity thinking in relation to organisational development with a view to exploring what's useful and what's not This book proffers an approach to organisational development that helps to develop support and maintain more democratic collaborative inclusive and sustainable ways of learning working and living The author explores the practicalities of working with the frustrations and inconsistencies involved in coping with the patterns of human interaction that inevitably make up organisations where planned and emergent approaches co-exist whether we would like them to or not Woven in between the personal essays are vignettes from a range of international practitioners reflecting on their own experiences in the field This book a radically different approach to organisational development is suitable for advanced students and researchers of organisation and organisational development organisation studies human resource management and executive education It will also be of interest to practising managers
