

The image shows the front cover of an HP 2930 Owner's Manual. The cover has a blue background with a white border. At the top, there is a black and white photograph of the HP 2930 printer. In the center, the text "HP 2930" is written in a large, white, sans-serif font. Below it, the words "OWNER'S MANUAL" are written in a smaller, white, sans-serif font. To the right of the main title, the words "SERIES PRINTERS" are written in a smaller, white, sans-serif font. At the bottom, there is another black and white photograph of the HP 2930 printer, showing a hand placing a document into the feeder. The HP logo is visible in the top right corner.

Copyright Entries Library of Congress. Copyright Office, 1910 The Complete Guide to the NEXTSTEP™ User
Environment Michael B. Shebanek, 1993-09-17 This book is about the advanced object oriented NEXTSTEP™ user envi
ronment for NeXT and Intel based computers It is intended for those who already own a computer running NEXTSTEP and
want to quickly learn what it can do and how to get the most out of it with the least effort It s also for those who are
considering the purchase of NEXTSTEP but want to learn more about how it works before making an investment Why a book
on NEXTSTEP When I set out to learn how to use NEXT STEP several years ago I found it extremely difficult to find
information from the usual sources such as books magazines user groups and autho rized dealers NEXTSTEP users were
scarce and finding a computer store that sold NeXT related products was even more rare There were also only a handful of
NeXT user groups in existence and those that did exist met so far away that joining one of them was impractical The manuals
I received from NeXT were helpful but I had the feeling there must be something more to it than what was written in the
User s Reference It didn t describe many of the shortcuts that experienced users had found or the public domain and
shareware utilities that were popular and how I could use them to make my work even easier and more fun **PC Mag**
