Perspectives on the Teaching of Literature in Schools Andrew Goodwyn, Cal Durrant, Louann Reid, Lisa Scherff, 2017-08-31
Literature teaching remains central to the teaching of English around the world This edited text brings together expert global figures under the banner of the International Federation for the Teaching of English IFTE The book captures a state of the art snapshot of leading trends in current literature teaching as well as detailing predicted trends for the future The expert scholar and leading teacher contributors coming from a wide range of countries with fascinatingly diverse approaches to literature teaching cover a range of central and fundamental topics literature and diversity digital literatures pedagogy and reader response mother tongues the business of reading publishers adolescent fiction and censorship assessing responses to literature the changing definitions of literature and multimodal texts The collection reviews the consistently important place of literature in the education of young people and provides international evidence of its enduring value and contribution to education resisting the functionalist and narrowly nationalist perspectives of misguided government authorities International Perspectives on the Teaching of Literature in Schools will be of value to researchers PhD students literature scholars practitioners teacher educators teachers and all those in the extensive academic community interested in English and literacy around the world Disavowing Authority in the Shakespeare Classroom Huw Griffiths, 2024-04-25
Based on real experiences of teaching Shakespeare in diverse classrooms and outreach programmes this Element questions the role of authority in Shakespeare teaching It connects an understanding of how Shakespearean texts function with critical thinking about teaching especially derived from the work of Jacques Rancie re Certain elements of the Shakespearean text notably how it was intended to teach its first readers the actors and its uses of dramatic irony are revealed as already containing possibilities for more decentred forms of knowledge production **Antipodean Antiquities** Marguerite Johnson, 2019-03-21 Leading and emerging early career scholars in Classical Reception Studies come together in this volume to explore the under represented area of the Australasian Classical Tradition They interrogate the interactions between Mediterranean Antiquity and the antipodean worlds of New Zealand and Australia through the lenses of literature film theatre and fine art Of interest to scholars across the globe who research the influence of antiquity on modern literature film theatre and fine art this volume fills a decisive gap in the literature by bringing antipodean research into the spotlight Following a contextual introduction to the field the six parts of the volume explore the latest research on subjects that range from the Lord of the Rings and Xena Warrior Princess franchises to important artists such as Sidney Nolan and local authors whose work offers opportunities for cross cultural and interdisciplinary analysis with well known Western authors and artists
The Viking Wars Max Adams, 2018-08-07 A history of Britain in the violent and unruly era between the first

Scandinavian raids in 789 and the final expulsion of the Vikings from York in 954 In 865 a great Viking army landed in East Anglia precipitating a series of wars that would last until the middle of the following century It was in this time of crisis that the modern kingdoms of Britain were born In their responses to the Viking threat these kingdoms forged their identities as hybrid cultures vibrant and entrepreneurial peoples adapting to instability and opportunity Traditionally Alfred the Great is cast as the central player in the story of Viking Age Britain But Max Adams while stressing the genius of Alfred as war leader law giver and forger of the English nation has a more nuanced narrative approach to this conventional version of history The Britain encountered by the Scandinavians of the ninth and tenth centuries was one of regional diversity and self conscious cultural identities depicted in glorious narrative fashion in *The Viking Wars* *Germans of Waterloo Region, Canada* Schulze, Mathias, Liebscher, Grit, Siebel-Achenbach, Sebastian, 1900 The immigration and acculturation of German speakers of Waterloo Region south west Ontario Canada The places of origin of the interviewees Mennonites and others from south eastern Europe east central Europe Germany and Austria The situation immigrants faced and their first impressions when they arrived in Canada earning a living who they are how they reflect on and actively live their German heritage how they feel about their home in Canada and how they still connect to German culture and the places from which they came the languages and family life and the next generation *The Oxford Handbook of Lord Byron*, 2024-10-04 The Oxford Handbook of Lord Byron offers the latest in critical thinking about the poet that defined the Romantic era across Europe and beyond The volume presents forty four groundbreaking essays that enable readers to assess Lord Byron s central position in Romantic traditions and his profound and far reaching influence on British European and world culture The chapters are organized into five sections Works Biographical Contexts Literary and Cultural Contexts Afterlives and Reading Byron Now that guide readers through the most important issues and frameworks for interpreting Byron Works presents original readings of Byron s key works and many of his lesser known ones giving space to extensive studies of his great epic Don Juan and the poem that brought him fame Childe Harold s Pilgrimage Biographical Contexts invites readers to consider Byron s life through key themes and patterns Literary and Cultural Contexts sets out the most important intellectual traditions from which Byron s work emerged and in which it developed Afterlives shows readers the extent of Byron s influence on literature art music and politics in Europe and beyond Reading Byron Now advances the critical agendas that are shaping Byron Studies today The Handbook tackles key themes associated with Byron including the Byronic Hero cosmopolitanism liberalism sexuality mobility scepticism the Gothic celebrity culture and much more For new readers of Byron the volume provides an excellent grounding in his life and work and for specialists it opens up exciting new approaches to an icon of Romantic literature

Politics and the Mediatization of School Educational Policy Grant Rodwell, 2020-04-07 Despite increasing prevalence over the past three decades and a clear impact on school education policy and practice education s connection to dog whistle journalism and politics has not yet been fully explored Addressing this gap Politics and the

Mediatization of School Educational Policy examines the emergence and current impact of dog whistle politics and journalism on education in Australia the US and the UK questioning what is at stake when this political dog whistle is directed at school educational policy and practice Exploring common targets for dog whistling such as teaching standards teacher quality and specific curriculum areas such as history sex and health education the book considers the broader social issues of xenophobia and racism as well as the decline of print media and rise of digital news sources in its place with each chapter including an in depth discussion using peer reviewed literature on the subject Following the trail of dog whistles impacting in school educational policy and practice across these three countries this book explores To what extent is the dog whistle dynamic embedded in school educational policy and practice To what extent does the dog whistle dynamic affect our understanding of school educational policy and practice How might we explain the continued flurry of dog whistles impacting school educational policy and practice As the phenomenon of the dog whistle intensifies both nationally and internationally this timely and thought provoking book is necessary reading for academics postgraduate researchers and all members of school communities

Rural Voices Christine Mallinson, Elizabeth Seale, 2018-09-15 In this interdisciplinary volume sociolinguists and sociologists explore the intersections of language culture and identity for rural populations around the world Challenging stereotypical views of rural backwardness and urban progress the contributors reveal how language is a key mechanism for constructing the meaning of places and the people who identify with them With research that spans numerous countries and several continents the chapters in this volume add broadly to knowledge about status and prestige authenticity and belonging rural urban relations and innovation and change among rural peoples and in rural communities across the globe
