and policymakers A masterful blend of theory and practice this book's timely insights empower women to take charge of their leadership journeys with the intention of fostering a generation of confident and capable academic leaders who can drive positive transformation

The Excellence Dividend Tom Peters, 2018-04-03 Brilliantly simple actionable guidelines for success that any business leader can immediately implement Tom Peters' new book is a bundle of beautiful dynamite While I've been a CEO for 30 years I still learned much worth knowing from *The Excellence Dividend* You will too John C Bogle founder Vanguard For decades Tom Peters has been preaching the gospel of putting people first and in today's rapidly changing business environment this message is more important than ever With his unparalleled expertise and inimitable charisma Peters provides a roadmap for you and your organization to thrive amidst the tech tsunami and he has a lot of fun doing it *The Excellence Dividend* is an important new book from one of today's greatest business thinkers

Lead Right for Your Company's Type William Schneider, 2017-07-20 *Lead Right for Your Company's Type* will help you find the best strategies for success for your unique business Every year businesses needlessly fail because they adapted the wrong strategies suited for their organization's strengths A mid-tier retail chain is derailed by leadership demands for superior products instead of reliably low prices A software giant is brought to its knees by prioritizing profits over innovation A small arts college is destabilized by top-down rules designed for a predictable and dependable company There is no one-size-fits-all game plan for success when it comes to the wide array of businesses today Success starts with knowing the kind of business you're really in In *Lead Right for Your Company's Type* learn the four categories that every enterprise falls into depending on their customer promise customized e.g. ad agency predictable and dependable e.g. utility company benevolent e.g. educational institution and best in class e.g. high-tech company like Apple Then follow a proven five-step process to help you in diagnosing your organization's ills and stop them at their source Apply the wrong practices and the mismatch pulls the enterprise apart However when leadership practices fit the customer promise and company type the organization thrives

Storied Health and Illness Jill Yamasaki, Patricia Geist-Martin, Barbara F. Sharf, 2016-07-01 Health and illness are storied experiences that necessarily entail personal cultural and political complexities For all of us communicating about health and illness requires a continuous negotiation of these complexities and a delicate balance between what we learn about the biology of disease from providers and our own very personal subjective experiences of being ill *Storied Health and Illness* brings together dozens of noteworthy scholars both established and emerging in a provocative collection that embraces narrative ways of knowing to think about analyze and reconsider our own and others' health beliefs behaviors and communication Comprehensive content reflects the editors' substantial research in integrative health narrative care and innovative ways of improving well-being and quality of life in personal relationships healthcare the workplace and community settings Unique narrative approaches to the study of health communication include 14 chapters written by 22 contributors who use engaging stories from their own research or personal experience to introduce and ground foundational
