Daniel Rosenberg,2020-06-22 Despite its prominence in public discourse the notion of elites remains a highly contested and ambiguous part of modern political discourse This monograph rehabilitates the idea of elites and gives it a solid theoretical footing while relating it with the historical development of liberal thought in the west The analysis offered in the book concentrates on the tradition of liberal political thought in France which has consistently tackled the question of the elites their role in society and the process of their formation Combining theoretical insights with practical wisdom French liberal thinkers have seen the elite as an indispensable social category and as a vehicle for the development of human liberty In their different prescriptive doctrines French liberal thinkers have sought to reconcile the emergence of social elites with the requirements of social and political equality as well as with the ongoing modernization of mores and institutions The monograph offers a unique contribution to scholarship in modern political thought by engaging analytically with the notion of elites as well as by offering a structured discussion on the historical development of liberalism in France **The Married Man** Edmund White,2010-09-08 In Edmund White s most moving novel yet an American living in Paris finds his life transformed by an unexpected love affair Austin Smith is pushing fifty loveless and drifting until one day he meets Julien a much younger married Frenchman In the beginning the lovers only impediments are the comic clashes of culture age and temperament Before long however the past begins to catch up with them In a desperate quest to save health and happiness they move from Venice to Key West from Montreal in the snow to Providence in the rain But it is amid the bleak baking sands of the Sahara that their love is pushed to its ultimate crisis **New York Teachers' Monographs** ,1914 The Educational year book.
