Book 4: If Rachel felt her life had been turned upside down before, she sure doesn't know what direction it's going now. Detective Adrian Deluca rescued her from the warehouse but he couldn't rescue her from all the other problems crowding around her. Her dead brother who's actually very much alive and killing people across the city, the loss of her father, and the pressure of a company she never wanted are weighing her down to the point she almost wishes she had stayed tied up in the warehouse. Adrian can only watch her struggles from the sidelines. He tries to prop her up as much as he can but the problem of Erik lies heavy between them. They both know it's only a matter of time before everything comes crashing down but neither knows what form that last straw will take. As troubles mount, they are so focused on Erik neither see the bigger danger looming ahead. A threat no one has anticipated and knows how to stop. Adrian vowed to protect her but he has no idea just how hard that promise is going to be to keep.
