Alpha's Guardian MiriGoogag, This is book 1 of Alpha's Guardian. One last assignment then I can finally find my mate. I have no idea why this alpha is so important but the committee has granted him the best security in existence. Me I'm not your average wolf in fact my kind are often beaten and belittled but by some divine intervention I had been raised from a lowly omega pup to the ultimate weapon and protection for the werewolf world. I protect the future the strongest and only the most important of the wolves. I am the Alpha's Guardian. Of course on the day I am to receive a Guardian the rogues find a hole in our defenses. We have been spread thin and even though Guardians are reserved for the highest of Alphas I am being bequeathed one. What would normally be an honor feels like a slap in the face when she shows up this woman who claims she was sent to protect me. Female warriors are heard of sure but a female guardian. This must be a joke and I refuse to be laughed at
