Historical Dictionary of Lesotho John Aerni-Flessner,Charles Fogelman,Nthabiseng Mokoena-Mokhali,2023-11-30
Lesotho's history has long been defined by its enclave status within South Africa but it is a hard fought and hard won status that helps unite Basotho through the shared history of struggle against colonial rule in the region Since the end of apartheid in 1994 Lesotho's status as a separate entity has been called into question though the fierce national pride built through centuries of resistance to outside rule has mitigated against any serious discussions of incorporating Lesotho into South Africa Still the political instability and lack of a flourishing domestic economy have made life difficult for the majority of Basotho and could call into question the viability and legitimacy of the state in the eyes of its citizens if it cannot enact significant reforms in the coming decades Historical Dictionary of Lesotho Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Lesotho **Second Language**

 Africa Lesotho and America told with style and gusto Zakes Mda is the most acclaimed South African writer of the
 independence era His novels tell stories that venture far beyond the conventional narratives of a people's struggle against
 apartheid In this memoir he tells the story of a life that intersects with the political life of his country but that at its heart is
 the classic adventure story of an artist lover father teacher and bon vivant Zanemvula Mda was born in 1948 into a family of
 lawyers and grew up in Soweto's ambitious educated black class At age fifteen he crossed the Telle River from South Africa
 into Basutoland Lesotho exiled like his father a founding spirit of the Pan Africanist Congress Exile was hard but it was just
 another chapter in Mda's coming of age He served as an altar boy and was preyed on by priests flirted with shebeen girls
 feared the racist Boers read comic books alongside the literature of the PAC fell for the music of Dvorak and Coltrane wrote
 his first stories and felt the void at the heart of things that makes him an outsider wherever he goes The Soweto uprisings
 called him to politics playwriting brought him back to South Africa where he became writer in residence at the famed Market
 Theatre three marriages led him hither and yon acclaim brought him to America where he began writing the novels that are
 so thick with the life of his country In all this Mda struggled to remain his own man and with *Sometimes There Is a Void* he
