Dear Incoming 6th grader,

Here, written for you are a few tips you might want to know about 6th grade. Tip #1, when you get your locker, never, and I mean never give anybody your locker combination. They could steal things out of your locker, and I'm sure you wouldn't like that. Tip #2, Supplies are something you will always need. Pencils, sharpeners, crayons, or color pencils is what you will need to do your work. The most important out of all of those are pencils. You Need Pencils! If you don't have a pencil, you can't do your work. If you don't do your work, and if that doesn't get turned in your grade IS going to down.

Tip #3 Phones cannot be in class because the teacher WILL take them away from you. You won't get the second time you get caught. But the third time, your parents are gonna have to come to school and get your phone. Well, hope this will help you when you'll be in 6th grade!

Hope this helps!,
Michelle Raheel ♡
