The Collected Letters of Joseph Conrad Joseph Conrad, 1983 This is the second of the projected eight volume edition comprising all the surviving letters of Joseph Conrad Once completed the edition will have assembled over 3 500 letters one third of them as yet unpublished and many others only published before in inaccurate versions The period covered by this volume 1898 1902 was one of considerable achievement and anxiety for Conrad The birth of his first child the death of Stephen Crane the murder of a friend's son an encounter with an early X ray machine imperial wars in Cuba and South Africa these events forced Conrad to face the problems of identity in terms of family nation history and the cosmic order This is also the period of Youth Amy Foster Typhoon Lord Jim and Heart of Darkness Often funny always thoughtful full of verbal energy even in the toils of severe depression the letters in Volume Two present Conrad at a crucial though vulnerable moment of his life and literary career

Publisher's description of v 2 King James and Letters of Homoerotic Desire David M. Bergeron, 2002-04 What can we know of the private lives of early British sovereigns Through the unusually large number of letters that survive from King James VI of Scotland James I of England 1566 1625 we can know a great deal Using original letters primarily from the British Library and the National Library of Scotland David Bergeron creatively argues that James correspondence with certain men in his court constitutes a gospel of homoerotic desire Bergeron grounds his provocative study on an examination of the tradition of letter writing during the Renaissance and draws a connection between homosexual desire and letter writing during that historical period King James commissioner of the Bible translation that bears his name corresponded with three principal male favorites Esm Stuart Lennox Robert Carr Somerset and George Villiers Buckingham Esm Stuart James older French cousin arrived in Scotland in 1579 and became an intimate adviser and friend to the adolescent king Though Esm was eventually forced into exile by Scottish nobles his letters to James survive as does James hauntingly allegorical poem Phoenix The king's close relationship with Carr began in 1607 James letters to Carr reveal remarkable outbursts of sexual frustration and passion A large collection of letters exchanged between James and Buckingham in the 1620s provides the clearest evidence for James homoerotic desires During a protracted separation in 1623 letters between the two raced back and forth These artful self conscious letters explore themes of absence the pleasure of letters and a preoccupation with the body Familial and sexual terms become wonderfully intertwined as when James greets Buckingham as my sweet child and wife

King James and Letters of Homoerotic Desire presents a modern spelling edition of seventy five letters exchanged between Buckingham and James Across the centuries commentators have condemned the letters as indecent or repulsive Bergeron argues that on the contrary they reveal an inward desire of king and subject in a mutual exchange of love

Letters of Charles Dickens to Wilkie Collins, 1851-1870 Charles Dickens, Wilkie Collins, 1892 From these letters Miss Hogarth selected
