**Enough** LaTisha L. Graves Haynes, 2009-05-29 She fell in love and married a younger man In love happiness and joy surrounded them until he had an affair They fought for their marriage not realizing that it wasn't in her husband's intention or heart to stay faithful Instead of leaving after a second affair she stayed which brought about abuse Mental emotional and physical abuse trapped her within herself and her home It wasn't until she lost herself and her son that she realized she was tired of fighting She had had ENOUGH What do you do when love hurts A story of life love and loss Enough shows the strength of a woman and how her faith saved her It is about letting go when it is time to let go and finding oneself and keeping it When things are going wrong God will step in on time Now Can I Cry? Dr. Lindsay Peake, 2006-05 Rainey was born during the great depression in a rural country in Arkansas She was born of a sickly prostitute mother who lived with a grandmother on a small hard scrabble piece of farmland Their situation was so dire with the mother knowing she had not long to live and the grandmother too old to attempt to raise a child under such difficult circumstances the mother reluctantly offers Rainey up for adoption This was not uncommon during the depression when children were shunted off to relatives or neighbors Given first to another farm family which by today's standards would be considered dysfunctional she runs away at the age of six She eventually ends up with a group of women mostly old maid schoolteachers who make some attempt to restore a degree of normalcy to the child's life This is the nearest thing to a functional family she would ever know but an unfortunate and ill advised wartime marriage once again turns her on the wrong road of life She goes through a series of misfortunes including a jail term before she eventually meets the love of her life But once again fate is cruel to her because he is married She has an illegitimate child by him and knowing he cannot marry her leaves him with no forwarding address She returns to the area of her childhood where he now single eventually finds her and in true romance fashion they are brought together and supposedly live happily ever after *I Do...Until Death Do Us Part?* Catherine Harmon, 2008-08 In today's society saying I do has become so casual that it gives no meaning to the traditional wedding vows In this book married couples couples to be and couples on their way to a divorce will gain another perspective of each wedding vow by connecting God's word to the vows and bringing meaning to them The tone is casual and to the point that will allow the reader to relate a little to the reading By tying in a scripture to each wedding vow couples will receive insight on areas such as Marriage is God's idea and He has purpose for it How God passed on His characteristics to Man and Woman in order to give structure and roles for Husband and Wife What God says about divorce and separation Relying on God in order to live up to the wedding vows and conquer anything that is determined to destroy the marriage This is an important guide and reminder of what we say when we say I do until death do us part After all staying married until death does us part is a promise that was made at the altar and should not be taken casually Catherine Harmon is a member of a newer established church Christian Family Worship Center She assists with the Woman's ministry in organizing their retreats She has a

Bachelor s of Arts Degree in Psychology and currently serves for the school district in Central Florida She is devoted to God and to her husband of 10 years They have three children that they lovingly support and are very proud of each of them Her desire is to be able to have more time for her kids and the opportunity to launch a family business Questions and comments can be directed to dachglobal aol com

**Issues of the Heart. A Woman's Poetic Guide to Emotional Health and Spiritual Peace** Tamara Patterson, 2005 In a world where women are more educated more powerful and more equipped to succeed than ever before sadly it seems that common sense has become a rare luxury for many A vast number of beautiful well spoken intelligent and influential women are remaining in situations of deceit abuse and self destructive patterns that cast a dark shadow over their lives and over the lives of those who love them Many underlying issues contribute to our disturbing behaviors and never ending tolerance for foolishness and unfairness in our relationships Even so we've allowed the world's loose representation of love sex wisdom and their version of happiness to taint what women of God should already know as divine truth The first purpose of Issues of the Heart is to encourage women to take a long hard and analytical second look at their current involvements and not only ask how did I get here But should I remain here Second Issues of the Heart provides wisdom strength and encouragement through sound biblical instruction to move from bad situations to deliverance emotional healing and spiritual peace Addressing issues that are far too often considered taboo in

the church Issues of the Heart covers a variety of topics from sex bad choices in men and eating disorders to death friends work performance and the absence of the father Assuring them that they are not alone in their struggles Issues of the Heart helps women take Satan by the horns and cast him out of their lives Through poetry straight talk scriptures and prayer the overall message remains the same Regardless of your past your mistakes your pains or regrets God desires to give you peace and heal the issues of your heart Forgiving What the World Says You Shouldn't Kallist Cazares,2025-04-10 Every woman affected by betrayal wants freedom from painful intrusive memories and to get help navigating their marriage The problem is in a world that worships fleeting emotions it s easy to believe that the only way through infidelity is to leave Or if they choose to stay they become a prisoner of fear and anger resulting in bitterness However as Christians we are called to a higher standard in our marriages one of holiness Yes even the unequally yoked ones When we embrace God s transformative power instead of indulging in detrimental emotions or acts he refines and sanctifies us our unsaved spouses and marriages Kallista Sanchez helps uncover unpopular opinions and often overlooked truths on what God thinks about forgiving sexual betrayal When we consider that he may want us to keep our covenant obedience is the door to blessing What s more forgiveness isn t about erasing the pain but allowing trials to become a catalyst for growth and redemption Rome Sweet Home Kimberly Hahn,Scott Hahn,2009-09-03 The well known and very popular Catholic couple Scott and Kimberly Hahn have been constantly travelling and speaking all over North America for the last few years about their conversion to the Catholic Church Now these two outstanding Catholic apologists tell in their own words about the incredible spiritual journey that led them to embrace Catholicism Scott Hahn was a Presbyterian minister the top student in his seminary class a brilliant Scripture scholar and militantly anti Catholic until he reluctantly began to discover that his enemy had all the right answers Kimberly also a top notch theology student in the seminary is the daughter of a well known Protestant minister and went through a tremendous dark night of the soul after Scott converted to Catholicism Their conversion story and love for the Church has captured the hearts and minds of thousands of lukewarm Catholics and brought them back into an active participation in the Church They have also influenced countless conversions to Catholicism among their friends and others who have heard their powerful testimony Written with simplicity charity grace and wit the Hahns deep love and knowledge of Christ and of Scripture is evident and contagious throughout their story Their love of truth and of neighbor is equally evident and their theological focus on the great importance of the family both biological and spiritual will be a source of inspiration for all readers Sheena's Dreams Marilyn M.
