Depression of the 1930s He finds Jim stuck in an unhappy marriage and Don's arrival intensifies Jim's misery As Jim sinks into alcoholism Don connects with a new love interest and their mutual friends persistently try to unlock the secrets between Don and Jim Ahead of its time in the depiction of same sex relationships the novel caused a scandal upon release As Phillip Pip Gordon says in the new introduction written for this edition the majority of gay fiction prior to *The Welcome* structured tragedy as a natural outcome for being gay Creekmore aimed higher and sought a narrative that does not show the same sex lovers as flawed for their desires rather the problem is context Creekmore was a prolific writer literary critic editor translator photographer and librettist and was good friends with famed Mississippi author Eudora Welty However Creekmore never had the success of his peers and his work has been neglected most of it falling out of print This new edition recovers a significant addition to the canon of LGBTQ southern literature and a Mississippi author for a generation of new readers and scholars
