Lou Reed Une Vie:

I'll Never Write My Memoirs Grace Jones, Paul Morley, 2016-06-14 Iconic music and film legend Grace Jones gives an in depth account of her stellar career professional and personal life and the signature look that catapulted her into the stardom stratosphere Grace Jones a veritable triple threat as acclaimed actress singer and model has dominated the entertainment industry since her emergence as a model in New York City in 1968 Quickly discovered for her obvious talent and cutting edge style Grace signed her first record deal in 1977 and became one of the more unforgettable characters to emerge from the Studio 54 disco scene releasing the all time favorite hits Pull Up to the Bumper Slave to the Rhythm and I m Not Perfect But I m Perfect for You And with her sexually charged outrageous live shows in the New York City nightclub circuit Grace soon earned the title of Queen of the Gay Discos But with the dawn of the 80s came a massive anti disco movement across the US leading Grace to focus on experimental based work and put her two and a half octave voice to good use It was also around this time that she changed her look to suit the times with a detached androgynous image In this first ever memoir Grace gives an exclusive look into the transformation to her signature style and discusses how she expanded her musical triumph to success in the acting world beginning in the 1984 fantasy action film Conan the Destroyer alongside Arnold Schwarzenegger then the James Bond movie A View to a Kill and later in Eddie Murphy s Boomerang Featuring sixteen pages of stunning full color photographs Miss Grace Jones takes us on a journey from Grace s religious upbringing in Jamaica to her heyday in Paris and New York in the 70s and 80s all the way to present day London in what promises to be a no holds barred tell all for the ages *Generation X Rocks* Christine Henseler, Randolph D. Pope, 2007 Essays in this volume explore the popular cultural effects of rock culture on high literary production in Spain in the 1990s **Lou Reed** ,1989*

Lou Reed Anthony DeCurtis, 2017-10-10 The essential biography of one of music s most influential icons Lou Reed As lead singer and songwriter for the Velvet Underground and a renowned solo artist Lou Reed invented alternative rock His music at once a source of transcendent beauty and coruscating noise violated all definitions of genre while speaking to millions of fans and inspiring generations of musicians But while his iconic status may be fixed the man himself was anything but Lou Reed s life was a transformer s odyssey Eternally restless and endlessly hungry for new experiences Reed reinvented his persona his sound even his sexuality time and again A man of contradictions and extremes he was fiercely independent yet afraid of being alone artistically fearless yet deeply paranoid eager for commercial success yet disdainful of his own triumphs Channeling his jagged energy and literary sensibility into classic songs like Walk on the Wild Side and Sweet Jane and radically experimental albums alike Reed remained desperately true to his artistic vision wherever it led him Now just a few years after Reed s death Rolling Stone writer Anthony DeCurtis who knew Reed and interviewed him extensively tells the provocative story of his complex and chameleonic life With unparalleled access to dozens of Reed s friends family and collaborators DeCurtis tracks Reed s five decade career through the accounts of those who knew him and through Reed s

most revealing testimony his music We travel deep into his defiantly subterranean world enter the studio as the Velvet Underground record their groundbreaking work and revel in Reed s relationships with such legendary figures as Andy Warhol David Bowie and Laurie Anderson Gritty intimate and unflinching Lou Reed is an illuminating tribute to one of the most incendiary artists of our time **Velvet Underground** Stéphane Dorin,2016-06-01
