The Divine Human Clayton Tylor,2024-02-07 The Divine Human is the human nature made divine It is the destiny of all of humanity The human nature when made divine by regeneration is the corporeal sensual aspect of the self raised to the spiritual perspective of the higher self The intellectual aspect of the mind becomes spiritually regenerated and then the will begins to feel divine Our intellectual nature when made spiritual is termed the church It represents our ability to will spiritual love to others as mutual love The goal of the Divine Human is a celestial church when humanity begins to feel loved This is accomplished by the expansion of the spiritual church when it takes on the additional affection of charity and the sensation of conjugal love gets implanted into the will The experience is like Cosmic Consciousness or when the intellect gets absorbed into the One Mind Yet it is not until the will gets united to the One Body do we begin to feel divine This experience is like a Samadhi realization when all sense of time and space gets removed from our memory as we unite as One The entire process is humankind's destiny as the Age of Aquarius comes into being We are all transformed while we sleep and everyone both good and evil get purified as a result Innocence gets restored to the affection of love and the world begins to reflect the spiritual plane resulting in peace on earth as the oneness of the Divine Human *Golden Wonder* Praveen

Hidden Treasure Lucy Goulet Rivas,2007-04-01 Philosophy of life *In Need of a Master* Dominik Finkelde,Rebekka Klein,2021-05-10 The volume In Need of a Master Politics Theology and Radical Democracy discusses how our so called postmodern age of widespread ideological critique paves the way for reactionary and

conservative political movements At center stage is the question of whether these movements can and must be contrary to widespread beliefs among liberal elites interpreted both as a symptom of a political awakening in the horizon of political theology in our era of immanence as well as perhaps the perilous end of democracy as we know it The book brings to the fore political theology as the hidden agenda of politics and presents at the same time Christian and Jewish theological traditions as an antidote to a global empire with its often unacknowledged rule of immanence Starting Over Joshua

Reeves,2002-11-20 Is every moment a fleeting mess or an opportunity to experience the precious Is the nature of man and woman too to survive life as an inescapable obstacle course of tricks and treats or is the nature of man to love and find a unity with life that helps him express it Is it the purpose of who we are to hope we find it or is the purpose of each of us something that is already complete that our life exists to express There are many ideas we hold about our lives and life itself Starting Over is an investigation of these ideas and how they effect our experience of life Furthermore it is an exploration of ideas that might serve us in being who we want to be with the life we want to be who we are with With practice care and simply taking the time to pay a little attention to ourselves and our lives we can lead ourselves to a better experience of it
