Author John DiLeo offers full-bodied appraisals of each of his selections breezily combining scholarly acumen with a film fanatic's passion. DiLeo utilizes his lively accessible style and sharp insightful critical eye venturing beyond obvious choices and whetting our appetites to see these vital movies. Be they underseen, dismissed, or taken for granted in their day, the films in Screen Savers deserve a place of honor in our film heritage.

Mamoulian David Lührssen, 2013-01-25. An Armenian national raised in Russia, Rouben Mamoulian (1897-1987) studied in the influential Stanislavski studio renowned as the source of the method acting technique. Shortly after immigrating to New York in 1926, he created a sensation with an all-black production of *Porgy* (1927). He then went on to direct the debut Broadway productions of three of the most popular shows in the history of American musical theater: *Porgy and Bess* (1935), *Oklahoma* (1943), and *Carousel* (1945). Mamoulian began working in film just as the sound revolution was dramatically changing the technical capabilities of the medium, and he quickly established himself as an innovator. Not only did many of his unusual camera techniques become standard, but he also invented a device that eliminated the background noises created by cameras and dollies. Seen as a rebel earlier in his career, Mamoulian gradually gained respect in Hollywood, and the Directors Guild of America awarded him the prestigious D. W. Griffith Award for Lifetime Achievement in 1983. In this meticulously researched biography, David Lührssen paints the influential director as a socially conscious artist who sought to successfully combine art and commercial entertainment. Lührssen not only reveals the fascinating personal story of an important yet neglected figure but also offers a tantalizing glimpse into the extraordinarily vibrant American film and theater industries during the twenties, thirties, and forties.

Dangerous Rhythm Richard Barrios, 2014-03. Going behind the scenes, Richard Barrios uncovers the rocky relationship between Broadway and Hollywood, the unpublicized off-camera struggles of directors, stars, and producers, and all the various ways by which some films became our most indelible cultural touchstones and others ended up as train wrecks.

Paris and the Musical Olaf Jubin, 2021-03-18. *Paris and the Musical* explores how the famous city has been portrayed on stage and screen, investigates why the city has been of such importance to the genre, and tracks how it has developed as a trope over the 20th and 21st centuries. From global hits *An American in Paris*, *Gigi*, *Les Misérables*, *Moulin Rouge*, and *The Phantom of the Opera* to the less widely known *Bless the Bride*, *Can-Can*, *Irma la Douce*, and *Marguerite*, the French capital is a central character in an astounding number of Broadway, Hollywood, and

West End musicals This collection of 18 essays combines cultural studies sociology musicology art and adaptation theory and gender studies to examine the envisioning and dramatisation of Paris and its depiction as a place of romance hedonism and libertinism or as the capital of the arts The interdisciplinary nature of this collection renders it as a fascinating resource for a wide range of courses it will be especially valuable for students and scholars of Musical Theatre and those interested in Theatre and Film History more generally

Dance Me a Song Beth Genné, 2018-05-30 Dancer choreographer directors Fred Astaire George Balanchine and Gene Kelly and their colleagues helped to develop a distinctively modern American film dance style and recurring dance genres for the songs and stories of the American musical Freely crossing stylistic and class boundaries their dances were rooted in the diverse dance and music cultures of European immigrants and African American migrants who mingled in jazz age America The new technology of sound cinema let them choreograph and fuse camera movement light and color with dance and music Preserved intact for the largest audiences in dance history their works continue to influence dance and film around the world This book centers them and their colleagues within the history of dance where their work has been marginalized as well as film tracing their development from Broadway to Hollywood 1924 58 and contextualizing them within the American history and culture of their era This modern style like the nation in which it developed was pluralist and populist It drew from aspects of the old world and new high and low theatrical and social dance forms creating new sites for dance from the living room to the street A definitive ingredient was the freer more informal movement and behavior of their jazz age generation which fit with song lyrics that poeticized slangy American English The Gershwins Rodgers and Hart and others wrote not only songs but extended dance driven scores tailored to their choreography giving a new prominence to the choreographer and dancer actor This book discuss how these choreographers collaborated with directors like Vincente Minnelli and Stanley Donen and cinematographers like Gregg Toland musicians dancers designers and technicians to synergize music and moving image in new ways Eventually concepts and visual musical devices derived from dance making would give entire films the rhythmic flow and feeling of dance Dancing Americans came to be seen around the world as archetypal embodiments of the free spirited optimism and energy of America itself

Defining Cinema Michael Slowik, 2024 Defining Cinema Rouben Mamoulian and Hollywood Film Style 1929 1957 takes a holistic look at Mamoulian s oeuvre by examining both his stage and his screen work and also brings together insights from his

correspondence his theories on film and analysis of the films themselves It presents a filmmaker whose work was innovative and exciting who pushed hard on cinema's potential as an artform and who in many ways helped move cinema towards the kind of entertainment that it remains today

After the Silents Michael Slowik, 2014-10-07 Many believe Max Steiner's score for King Kong 1933 was the first important attempt at integrating background music into sound film but a closer look at the industry's early sound era 1926-1934 reveals a more extended and fascinating story Viewing more than two hundred films from the period Michael Slowik launches the first comprehensive study of a long neglected phase in Hollywood's initial development recasting the history of film sound and its relationship to the Golden Age of film music 1935-1950 Slowik follows filmmakers shifting combinations of sound and image recapturing the volatility of this era and the variety of film music strategies that were tested abandoned and kept He explores early film music experiments and accompaniment practices in opera melodrama musicals radio and silent films and discusses the impact of the advent of synchronized dialogue He concludes with a reassessment of King Kong and its groundbreaking approach to film music challenging the film's place and importance in the timeline of sound achievement

Stars, Studios, and the Musical Theatre Screen Adaptation Dominic Broomfield-McHugh, 2023 The final of three volumes Stars Studios and the Musical Theatre Screen Adaptation An Oxford Handbook traces how stardom and technology has affected the evolution of the genre of the stage to screen musical Many chapters examine specific screen adaptations in depth with case studies on the screen versions of Broadway favorites Carousel and Brigadoon while others deal with broad issues such as how music rights affected how studios approached screen adaptations Together the chapters incite lively debates about the process of adapting Broadway for the big screen and provide models for future studies
