It offers over a dozen recipes in each chapter for appetizers, breakfast, brunch, side dishes, breads, desserts, and over two dozen dinner options. The book includes photos of all the foods and nutrition information on each dish. All recipes are written with two to four people in mind so you don't have four days worth of food to eat day after day or store in the fridge or freezer. But they are easily doubled to feed more people. Enjoy great dinners with pork and butternut squash, salmon and bacon, chicken with chopped crookneck squash, and other creative ways to enjoy favorite meals cooked without high starch items such as potatoes, pasta, and rice.
