Linguanomics Gabrielle Hogan-Brun, 2017-02-09 Globalization the Internet and an era of mass travel have combined to produce a world with a language mix on a huge scale Linguanomics explains this multilingualism in a material economic and cultural sense What is the effect of this multilingualism on society organizations and individuals What are the economic benefits and drawbacks Should we invest in language skills Should there be interventionist policies and if so at what level Should there be a global lingua mundi The debate surrounding multilingualism is often clouded by emotion and misconception With an analysis devoid of rhetoric Gabrielle Hogan Brun takes an objective look at this charged area The result is Linguanomics a major step towards a clearer understanding of the market potential of multilingualism its benefits costs and points of contention Asking significant questions of profound concern to the future of global collaboration Linguanomics is an essential guide to students teachers policy makers and politicians and anyone who cares about the role of language in the modern world Department of Corrections, courts, liscenses and inspections, metropolitan police, highways and traffic, Department of Motor Vehicles, sanitary engineering, Washington aqueduct, Department of Public Health. 1963. pp. 2265-2902 United States. Congress. Senate. Committee on Appropriations, 1963 **Financial** Services and General Government Appropriations for 2016 United States. Congress. House. Committee on Appropriations. Subcommittee on Financial Services and General Government, 2015 Languages after Brexit Michael Kelly, 2017-10-20 This book represents a significant intervention into the debates surrounding Brexit and language policy It analyses the language capabilities and resources of the United Kingdom in a new post referendum climate in which public hostility towards foreign languages is matched by the necessity of renegotiating and building relationships with the rest of Europe and beyond The authors scrutinize the availability of key resources in diverse sectors of society including politics economics business science and education while simultaneously offering practical advice and guidance on how to thrive in the new international environment This extremely timely edited collection brings together leading researchers from across the field of language policy and is sure to appeal not only to students and scholars of this subject but also to practitioners policy makers and educators Critical Perspectives on Police Leadership Davis, Claire, Silvestri, Marisa, 2020-03-11 In a critical analysis of conventional understanding leading authors Claire Davis and Marisa Silvestri present bold new conceptualisations of police leadership Drawing on empirical research in criminology sociology and leadership studies they present a thoughtful critique of the nature and practice of leadership in contemporary policing The book Critically explores the identities of leaders and their positions within wider organisational structures and processes Provides a critique of contemporary reform to police professionalisation training and education equalities and diversity by situating these developments within wider historical social and political contexts Draws on critical theory to offer an alternative challenging and novel interpretation of police leaders as not simply the result of individual experiences and attitudes but of the social

institutional and historical processes of policing and the cultures that exist within it Points towards future directions and a reimagining of leadership in the police Accessible and stimulating this is an essential text for policing students and valuable reading for current leaders and those interested in policing criminology and leadership *History & Crime* Thomas J. Kehoe, Jeffrey E. Pfeifer, 2021-09-15 Revealing the cross utility potential of multiple disciplines to advance knowledge in crime studies History Crime showcases new research into crime from across the interdisciplinary perspectives of early modern and modern history criminology forensic psychology and legal studies **Institutional Roots of India's Security Policy Milan** Vaishnay, 2024-02-27 In recent years India has asserted its desire not simply to be a balancing power but to become a leading power on the world stage As India's economic development has steadily progressed so too have its foreign policy and security ambitions However India's ability to sustain high rates of economic growth at home and project power overseas rests on unsteady state capacities Despite widespread concerns over the severe institutional constraints that India faces there is a lack of scholarly research on the administrative and organizational effectiveness of India's security institutions Myriad inadequacies related to both procedure and personnel continue to hamper the Indian state s ability to perform one of its most essential functions protecting Indians from security threats at home and abroad Institutional Roots of India s Security Policy aims to deconstruct and interrogate disparities in India's security institutions through high quality analytic examinations of more than a dozen foreign policy and national security institutions spread across four domains the armed services intelligence border and internal security and police and investigative agencies A one stop resource on India's security institutions this volume demystifies secretive institutions that have long eluded careful scrutiny including India's paramilitary forces the Intelligence Bureau IB the Research and Analysis Wing R AW and the Central Bureau of Investigation CBI

Protest in South Africa Heidi Brooks, Rekgotsofetse Chikane, 2024-01-23 Popular protest has become a regular feature of post 1994 South Africa As a young democracy born out of resistance we may understand the contemporary manifestations of protest as extensions of this broader history However it is notably in the context of formal democratic institutions that popular protest has become an increasingly normalised mode of influencing policy demanding service delivery and forcing change Protest is constitutive of South Africa s democratic politics but also reflective of it Protest in South Africa Rejection reassertion reclamation explores the underpinnings of contemporary protest and both its short term causes and structural drivers Focusing on the surge of protest from the mid 2000s this edited volume provides an overview of the complexity of protest action the diversity of protest spaces and actors and responses to protest from both citizens and state The volume situates its analysis against the backdrop of the global wave of protest witnessed since the turn of the 21 century while examining protest in South Africa's local and historical contexts Contributors to the volume examine protests in relation to among other factors provision of infrastructure and services contestations around socio economic development issues of citizenship and demands for inclusive democratic governance Chapters also examine the role of women in protest action the

policing of protest and the intersection of protest action with spaces of formal politics. The volume also alerts us to the darker side of protest and the destruction and division it may foment It thus considers the prospects of South Africa's evolving sometimes violent protest terrain for social and state stability and democratic progress In the diversity of spaces sectors and communities of interests in which collective action has emerged Protest in South Africa Rejection reassertion reclamation shows how protest is underpinned by a rejection of the status quo a reassertion of interests and a reclaiming of the political and democratic space Social Media Strategy in Policing Babak Akhgar, Petra Saskia Bayerl, George Leventakis, 2019-10-11 This book addresses conceptual and practical issues pertinent to the creation and realization of social media strategies within law enforcement agencies The book provides readers with practical methods frameworks and structures for understanding social media discourses within the operational remit of police forces and first responders in communities and areas of concern This title bridging the gap in social media and policing literature explores and explains the role social media can play as a communication investigation and direct engagement tool It is authored by a rich mix of global contributors from across the landscape of academia policing and experts in government policy and private industry Presents an applied look into social media strategies within law enforcement Explores the latest developments in social media as it relates to community policing and cultural intelligence Includes contributions and case studies from global leaders in academia industry and government Critiquing Evidence-Based Policing in Britain Paul Betts, 2024-07-03 Evidence Based Policing EBP exerts significant influence on how actors think act and speak about UK policing to the point that it is becoming institutionalised Inspired by the insights of Michel Foucault into power knowledge governmentality and institutional reform over time this book provides a comprehensive account of the emergence of EBP in Britain as well as original discourse analysis and analytical research into the texts produced by EBP It presents a new history of EBP presented around EBP s story lines subject positions and the institutional changes it has created This history shows EBP shares a genealogical heritage with modern discourses of managerialism and neoliberalism EBP s roots are traced and it is re-presented as an extension of the problematic relationship in the production of criminological knowledge and the British state This history fundamentally challenges the notion on which EBP rests basing policing policy upon independent robust knowledge Instead this book argues EBP should be subject to greater illumination and challenge suggesting EBP is a contestable device that is doing political work It speaks to those interested in policing critical criminology and political science Routledge International Handbook of Critical Policing Studies Nicole L. Asquith, Jess Rodgers, James Clover, Gary Cordner, Angela Dwyer, Rishweena Ahmed, 2025-06-06 Critical analyses of policing have accompanied accounts of the police since the early days of modern police organisations More so than ever police and policing are subject to close and critical scrutiny from governments and the public It is timely therefore to consider what is critical about police and policing The Routledge International Handbook of Critical Policing Studies brings together scholars and practitioners to critically explore the full

continuum of safety governance from police reforms to the redistribution of policing resources to the replacement of state police In offering the three Rs of policing reform redistribute replace we provide a conceptualisation of critical policing studies that acknowledges a continuum of policing that mirrors the different trajectories priorities and possibilities that exist across different cultural and historical contexts This collection is composed of 65 scholars and practitioners across 39 chapters edited by a team of police pracademics and policing scholars to showcase accounts of policing from outside the Anglo European metropole privileging works from First Nations people and from the Global South and presenting contextualised solutions to the problems facing police and communities This Handbook identifies the key issues facing the police and safety governance across the globe and offers insights into the implications for policing theory and practice proposing solutions to some of the most intransigent problems facing contemporary societies Individually and as a collection this Handbook will be an essential read for scholars practitioners and activists alike Women in Policing around the **World** Venessa Garcia, 2021-03-24 Women in Policing around the World is a historical legal political and social examination of women in policing The book opens with a comparison of cultural definitions of gender and how this affects women s work in general and policing specifically The book then takes the reader through women in policing in the Eastern and Western Hemispheres featuring several countries within the major regions of the world Major commonalities and differences are identified in the areas of recruitment training deployment promotion and violence against women Among the key features of this book is a balanced coverage of historical and timely events that led to the current status of women police in their respective countries. The book identifies the commonalities that women police experience throughout the world relying on the most current research The book also dedicates coverage of policing violence against women in society as well as within the police organization itself The author includes tables to allow for national comparisons throughout the book as well as current and historical photos This book is intended for researchers and students of police culture and women in policing It does not rely heavily on one country or region thus allowing for an enlightening international comparison Parliamentary Debates (Hansard).
