**Distributed Team Collaboration in Organizations: Emerging Tools and Practices** Milhauser, Kathy L., 2011-04-30 This book summarizes the challenges inherent in leading distributed teams and explores practices that are emerging to optimize distributed team performance Provided by publisher      **Rules for Revolutionaries** Becky Bond, Zack Exley, 2016-11-09 Lessons from the groundbreaking grassroots campaign that helped launch a new political revolution *Rules for Revolutionaries* is a bold challenge to the political establishment and the rules that govern campaign strategy It tells the story of a breakthrough experiment conducted on the fringes of the Bernie Sanders presidential campaign A technology driven team empowered volunteers to build and manage the infrastructure to make seventy five million calls launch eight million text messages and hold more than one hundred thousand public meetings in an effort to put Bernie Sanders s

insurgent campaign over the top Bond and Exley digital iconoclasts who have been reshaping the way politics is practiced in America for two decades have identified twenty two rules of Big Organizing that can be used to drive social change movements of any kind And they tell the inside story of one of the most amazing grassroots political campaigns ever run Fast paced provocative and profound Rules for Revolutionaries stands as a liberating challenge to the low expectations and small thinking that dominates too many advocacy non profit and campaigning organizations and points the way forward to a future where political revolution is truly possible      *Marketing Technologies* Elena Simakova,2013 Global corporations initiate join and maintain socio technological change and hence alter the ways in which we organize our lives Demanding significant investment of resources and time the development and implementation of new technologies on different levels must take into consideration these subtle processes As such it is particularly important that we have a greater insight into the practices of hi tech corporations in view of the often inflated promises of and concerns about the destiny of technological breakthroughs especially those promising sizeable economic outcomes and societal transformation Elena Simakova undertook a lengthy ethnographic study working alongside marketing managers in a global IT corporation in their Europe Middle East and Africa EMEA headquarters in the UK Using the experience gained through a close participation in their everyday corporate rituals and routines her account challenges common perceptions of how corporations make the world think and act with regard to technologies in particular ways The book contains an interesting case study on the launch of a radio frequency identification RFID based solution Unravelling the construction of expectations inclusions and exclusions around emerging technologies this reflexive account also tackles uneasy practical and methodological questions pertinent to corporate ethnography This book is an essential read for scholars in science and technology studies economic sociology anthropology as well as management and organizational studies and research policy      *You Can't Be Serious* Kal Penn,2022-08-09 Kal Penn's unlikely career arc has taken him from nerdy American kid from an immigrant family in the New York suburb of Montclair New Jersey to world famous actor to White House staffer under President Obama and back to actor again Now in *You Can't Be Serious* he reflects on the most ridiculous offensive and rewarding moments that have stood out during his journey With intelligence humor and charm on every page Penn explores what it means to be the embodiment of the American Dream as the child of immigrant parents who came to this country with very little and who never expected to see their son get his big break by sliding off an oiled up naked woman in a raunchy Ryan Reynolds movie He also pulls back the curtain on racism in Hollywood and the constant reminders that he would never fit in And of course he reveals how after twenty five years fighting for success in Hollywood he made the terrifying but rewarding decision to walk away from it all for a career in politics Above all *You Can't Be Serious* shows that everyone can have more than one life story Penn bravely demonstrates by example that no matter who you are and where you come from you have many more choices than those presented to you It's a story about struggle triumph and learning how to keep your head up And okay yes it's also about whether Kal really

smoked weed in the White House with the former First Lady because let's be honest that's what you really want to know
