## **He Became My Daddy:**

How My Mother Became My Guardian Angel Brenda Jenkins, 2011-01-27 How my mother became my guardian angel is a book based on my life after losing my beautiful mother I was 18 years old with an 8 month old baby not knowing where I was going to go My life then became a huge struggle I became homeless physically and mentally abused I started screaming and crying for my mother which took me into a dark grieving depression The only person that took me out of that stage is the person I walk with everyday His name is Jesus Christ a friend of mine who came and saved me in my darkest days How my mother became my guardian angel is only the beginning of my brightest and beautiful days My mother was such a strong beautiful black WOMAN whom GOD made with his delicate hands After we all had lost our mother my family came to an ugly end During my struggles and all my pain I reached up and grabbed a hold of GOD's hand but one thing our heavenly father did for me is brought my mother in my dreams over and over again The sun was so pretty and bright the way she came into my life but when I opened my eyes and saw the daylight it was time to put up my biggest fights She helped me get through so many struggles and away from people that weren't right in my life At first when I started dreaming of her I woke up saying Something isn't right Until the day came when I noticed my dreams were only here to strengthen me throughout my life My mother always told us that she wasn't going to be here forever but before she leaves this place she wished we would all get it together I was so young growing up listening to her repeat those words over and over but one thing I did not know is how her death was the beginning of my deepest darkest struggles So as you read my story do yourself a favor and go put on your favorite robe because once you're done reading my story your worries should become very old I'm dedicating this book to my mother because she could've gone upstairs to heaven and said my job on earth is finally done However as a result of my struggles and screaming her name in pain she came back in my life to help guide me until my strength I finally regained I remember one dream I had with her she was walking on grass sounding like glass click click click she was waving her hand and smiling at me telling me to tell everyone I couldn't figure out that dream to save my life However after writing this book now I can say consider it a job well done

*Just in Time* Tracy Morrissey, 2015-04-09 Her daddy's struggle with alcoholism had become her struggle too As a young child Tracy experienced things no child should ever have to experience She could forgive and forget then but would her life forever be defined by her daddy's addiction As she grew into a young woman his behavior his actions and his harsh words were not so easily forgiven The memories were imprinted in her memory forever Her feelings towards him were nothing less than hatred As she watched him fall deeper and deeper into the arms of the disease she began losing hope of ever having a normal daddy She knew she couldn't go on this way She was trying to do it all alone but that was never God's plan Feeling helpless in her struggle she found herself wondering Why me why me God Finally Tracy gave it all to God She realized her way was not God's way but was it too late Would she ever have the relationship with her daddy that she always wanted Was it even possible to love him again after all the hurt and pain Only God knew if her
