Instructions for a Funeral David Means,2019-03-05 Poetic insightful and deeply moving David Means is one of my very favorite writers Tara Westover author of Educated Following the publication of his widely acclaimed Man Booker nominated novel Hystopia David Means here returns to his signature form the short story Thanks to his four previous story collections Means has won himself an international reputation as one of the most innovative short fiction writers working today an established master of the form Laura Miller The Guardian Instructions for a Funeral featuring work from The New Yorker Harper s The Paris Review and VICE finds Means branching out beyond the explorations of violence and trauma with which he is often identified prominently displaying his sly humor and his inimitable way of telling tales that deliciously wind up to punch the reader in the heart With each story Means pushes into new territory writing with tenderness and compassion about fatherhood marriage a homeless brother the nature of addiction and the death of a friend at the hands of a serial killer nurse Means transmutes a fistfight in Sacramento into a tender life long love story two FBI agents on a stakeout in the 1920s into a tale of predator and prey paternal urges and loss a man s funeral instructions into a chronicle of organized crime real estate ventures and the destructive force of paranoia Means s work has earned him comparisons to Flannery O Connor Alice Munro Sherwood Anderson Denis Johnson Edgar Allan Poe Anton Chekhov and Raymond Carver but his place in the American literary landscape is fully and originally his own David Means is a master of tense distilled quintessentially American prose Like any artist who has finely honed his talent to its strongest expression he is a brilliant craftsman whose achievement is to appear unstudied even casual Each story by Means which I have read is unlike the others unexpected and an unnerving delight Joyce Carol Oates **PC User's Troubleshooting Guide** TechRepublic, Incorporated,2003-05
