Blackaby,Richard Blackaby,2002 Based on classic *Experiencing God* principles *Hearing God's Voice* is for those who are ready to listen Beloved author Henry Blackaby and his son Richard help those who are listening to discern the voice of God to

identify ways He speaks and to respond to His revelations of His will God speaks to individuals in ways that are personal and unique to each person God will never say anything that contravenes what He has said in the Bible and usually He confirms what He has said After you learn to listen to God hearing from God will be as natural as communicating with a close friend

*Hearing God's Words* Peter Adam, 2004-02-11 Many discussions of Christian spirituality draw on a range of traditions and disciplines but little attention is given to the Bible itself Drawing on the Old and New Testaments John Calvin and the Puritans Peter Adam expounds a biblical model of spirituality in this *New Studies in Biblical Theology* volume **Hearing God in Battle** Paris Davis, 2007-08 *Hearing God in the Battle* explores many of the strategies and tools that are available to Christians because of their relationship with the King *Practical Life* **God@work, Volume 2** Rich Marshall, 2005-03 In *God Work Volume 2* you will learn How your business is an open door to serve those who the Lord puts in your path How marketplace ministry is meant to touch lost and hurting lives How you can experience the miraculous at work every day How your business can reach the nations for Jesus How God will bless our entrepreneurial endeavors so that we may help finance His Kingdom How the Holy Spirit will release you in the ministry right where you are **God@Work Vol 2** Rich Marshall, Ken Walker, 2011-07-28 *THE WORK OF THE LORD IS BIGGER THAN CHURCH* There are many Christians who assume that the only ones chosen for the work of the Lord are preachers behind a pulpit But the work of the Lord needs to be accomplished by all believers The Great Commission is spoken to everyone including those in the working world In *God Work Volume 2* you will learn How your business is an open door to serve those who the Lord puts in your path How marketplace ministry is meant to touch lost and hurting lives How you can experience the miraculous at work every day How your business can reach the nations for Jesus How God will bless our entrepreneurial endeavors so that we may help finance His Kingdom How the Holy Spirit will release you in the ministry right where you are If you want to serve the Lord in all you do this is one of the most liberating books you will ever read **George Müller of Bristol and His Witness to a Prayer-hearing God** Arthur T. Pierson, 1899 **Hearing God in Conversation** Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others

Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God s guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks **George Müller of Bristol, and His Witness to a Prayer-Hearing God** Arthur T. Pierson,2019-11-22 In *George Müller of Bristol and His Witness to a Prayer-Hearing God* Arthur T Pierson crafts a compelling narrative that weaves the life of George Müller with a profound meditation on faith and divine providence Drawing upon extensive research and Müller s personal journals Pierson vividly depicts Müller s unwavering commitment to orphan care and his reliance on prayer as a source of sustenance Written in the late 19th century the book employs a biographical style that is both informative and inspirational aiming to bolster the reader s faith in God s provision amidst worldly uncertainties Arthur T Pierson a prominent preacher and theologian during the revivalist movements of his time was deeply influenced by Müller s life and legacy Pierson s own experiences as a pastor and advocate for social justice fueled his desire to illuminate Müller s steadfast trust in God His background in theology and historical documentation enabled him to contextualize Müller s faith within the broader Christian landscape providing insights that resonate even today This book is an invaluable resource for readers seeking to deepen their understanding of the power of prayer and the workings of divine grace It is highly recommended for anyone interested in biographies that inspire courage and resilience particularly those with an inclination toward Christian spirituality **Promissio** Oswald Bayer,2025 Bayer dates Luther s reformational breakthrough to the early spring of 1518 when he discovered the sacramentality of the word that the word is not simply informative but performative and constitutive of the sacraments The preached word is prior to faith creates faith and is the only source of certainty in the Christian life **Hearing God's Call** Ben Campbell Johnson,2002-10-08 God is still calling believers today just as He did in earlier times and God s empowering call extends to clergy and laity alike this book will help anyone seeking to hear God s call with greater clarity and act on it with greater conviction **BACK JACKET** *4 Keys to Hearing God's Voice* Mark Virkler,2010-08-01 Based on the highly popular and successful book *How to Hear God s Voice* this exciting new book emphasizes the 4 Keys to Hearing God s Voice When I learned to hear God s voice after 11 years as a believer without it every part of me was radically transformed Thousands have told me they have had this same metamorphosis and I believe that this will become your testimony also writes co author Mark Virkler The keys that are examined discussed in detail and can be immediately applied to your life are How to recognize God s voice as spontaneous thoughts Learning how to become still before the Lord Looking for vision as you pray Realizing the importance of two way journaling Filled with insights from years of hearing from God *4 Keys to Hearing God s Voice* also includes visual aids that enhance the teaching and learning experience Very reader friendly you will find that the concepts and principles are easily adapted to your personal circumstances and lifestyle Designed to bring even

more depth to your relationship with God this book is part of an integrated package that includes a DVD and seminar guide for either individual or group study Either as a stand alone book or as part of a package you are sure to gain valuable encouragement and motivation to seek intimate communication with God your heavenly Father     **Practicing Discernment with Youth** David F. White, 2018-09-13 Throughout history youth have been at the center of their communities energy and creativity including their efforts to seek faith and justice However today s adolescents have been relegated as passive learners and consumers lacking full adult power for longer than any age cohort in history This book traces the modern domestication of adolescence from its ancient roots through several key moments of its descent into passivity Empowering youth as agents of Christian faith in the world is not only a social need but is theologically warranted The church and the broken world need the gifts of youth This book elaborates four pedagogical movements listening understanding remembering dreaming and acting as key for noticing and nurturing the faith commitments of youth Too much of contemporary youth ministry represents an attempt to pump energy into our youth to get them excited about what we have to offer This approach attends to energies already present in the lived experiences and hidden commitments of youth and connects them to God s mission in the world
