Heart And Mind Mastering The Art Of Decision Making:

Heart and Mind Barry Anderson, Dan Hahn, Ursina Teuscher, 2013-05-30 Together Barry Anderson Dan Hahn and Ursina Teuscher have guided thousands of clients and students through difficult personal and work choices Now they combine their collective experience and scientific knowledge to share a better process for tackling your own big personal decisions Scholars have come up with many smart decision tools to help us make better choices However those methods are complicated and require us to throw our intuition out the window instead of rely on it Meanwhile we are left mulling over our personal and emotional decisions those we tend to regret the most without a guide In *Heart and Mind* the authors blend the best from decades of decision science with intuitive checks to provide a powerful six step decision process With practice you can swiftly make better choices in any personal or professional situation You will learn how to detect and avoid irrational biases seize unseen opportunities define what really matters in any decision come up with truly creative solutions highlight your best alternatives and squash any possible regret associated with the consequences of your choices With examples ranging from confused career changers nervous fianc es work family balance challenged accountants to even some interplanetary travelers Barry Dan and Ursina provide you with the framework templates and toolkits to become more balanced creative and courageous in any of your life decisions The first hurdle is having the courage to use a better process to get our hearts and heads speaking the same language Only then can we expect to reach better outcomes Are you up for the challenge

Mastering The Art Of Decision Making Sirshree, 2020-05-21 Making Conscious Decisions We all are constantly making choices every moment of our lives And it is our choices that determine the quality of our lives It is the decisions that we make at every juncture that carve our future If our decisions can shape our lives are we even conscious of how we make decisions whether trivial or major What is the basis for our decision Are our present choices influenced by our past Or are we open to fresh insights that can enable more effective decisions for a contented present and brighter future It is a Startling truth that most people do not make conscious decisions They allow situations people or their own past to decide for them This book provides insights into the key considerations and qualities that can help you make more conscious and balanced decisions You will discover ways of accessing your intuition to seek guidance from the Source of all answers within you It explains the art of handling conflicts creatively and making the highest choices when faced with the most crucial challenges in life Decide and read this book to help yourself decide better in life

Heart to Heart Disha Mandaviya, 2021-08-01 The anthology compiled by Disha Mandaviya Cover designed by Sagar Samal named HEART TO HEART means a conversation in which we say exactly what we feel Anxiety Jauska hatred inner battles are the junk of our mind which should be removed and words do this work best I believe in spreading love and ending negative feelings and so through this book I and all the co authors have given words to unfathomable feelings and did their best to heal readers pain connect readers heart console their soul and fill them with love
