No Longer A Mystery Ralph G. Vestal, 2023-12-07 Without a doubt there are many passages in the Bible which we do not fully understand today and will not until we are in Heaven with the Lord 1 Corinthians 13:9-12 The purpose of this book is not therefore to attempt to answer every question or solve every issue which may arise as we read the Bible In this book we will look at every passage in the New Testament in which the word mystery appears The truths and events which the Bible refers to as mysteries are now revealed and explained for us As we look at each of these we will discover something of God's Plan for the ages and we will see just where we fit into that plan And we will see that the truths and events which in God's wisdom were once concealed are now No Longer A Mystery

The Hidden Gospel David Alan Greene, 2024-12-17 This book presents the whole Bible in an easy to understand style God is its Author and we must see it from His perspective God's ultimate purpose is the complete restoration of all Creation After Adam's fall God has worked systematically towards achieving this purpose His progress is slow and methodical Various stages must be completed before He can continue These stages are shown and explained in a way you can understand them Most teachers and preachers present the Bible in snapshots These snapshots are pictures frozen in time They are wonderful to look at but they do not show God's overall progress towards achieving His ultimate purpose Like the seven days of God's Creation each age has its own purpose In this current age people are concerned They are unsure of the future and what will happen to them There is good news Presently there is an offer from God on the table Yet most people are totally unaware of it This book answers a lot of questions It makes clear a gospel that was once hidden but now is revealed Once you understand His offer you can decide to reject or accept it
