How to Hear God Pete Greig, 2022-03-01 You were created to enjoy a real conversational relationship with God The Bible says that hearing the voice of our Creator is both central and natural to our existence as humans When life falls apart we need God's comfort In moments of cultural turmoil we need his clarity Facing difficult decisions we need his guidance Desiring a deeper faith we need God to say something anything to turn the monologue we call prayer into a genuine conversation But how do we really hear God Nothing could possibly matter more than learning to discern his authentic voice and yet few things in life are more susceptible to delusion deception and downright abuse Having addressed God's silence in God on Mute and then How to Pray in his previous bestseller Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience How to Hear God Exploring the story of Christ's playful poignant conversation on the road to Emmaus after his resurrection Pete draws deeply from the insights of a wide range of Christian traditions weaving together the evangelical emphasis on hearing God in the Bible and the charismatic commitment to hearing God in the prophetic with the contemplative understanding of God's still small voice within Pete transcends the Christian tribalism of our day rooting us in something far more ancient unchanging timeless What the early Christians called the Way This ancient form of Christianity is the antidote to much of the modern church's pain The cure for our ills John Mark Comer

are open to hearing God only one way then we are limiting our ability to hear from Him We need to stop trying to limit HOW He will speak to us and just tune our ears to WHAT He is saying This book is designed to be a beginning course for believers who are learning to hear the voice of the Father This book is not necessarily meant to be for those who seem to regularly and clearly hear from the Father on behalf of all believers This is book 1 of a series entitled So You Want To Hear The Voice Of God The author sets out to prepare the reader to hear from the Father This is intended for the whole body of Christ as they humbly experience the privilege and joy of hearing the voice of the Father Join us as we walk the journey of seeking our Lord's face together and discovering the many ways of communing and hearing the voice of God our heavenly Father

live the abundantly blessed life that Jesus died for you to have What the Bible Really Says about How to Hear God is a book that simply and plainly explains what the Bible actually says about the subject and incorporates over twenty five years of the author s life experience and mistakes that will help you to avoid making the same mistakes and to learn how to recognize hear and follow the voice of God in your everyday life *You Can Hear the Voice of God* Steve Sampson,2015-03-10 When you talk to God do you ever feel as if you are not getting through You re not alone At some point most believers find themselves grappling with difficult questions like Would God really talk to me personally and How do I know it s truly God talking and not my own thoughts But here s the good news Hearing God is simpler than you think It s possible to have a relationship with God that involves both speaking and listening In fact it s God s desire He wants to talk to you In this revised and expanded edition of a classic work author and teacher Steve Sampson shows you how to pray not just wishing you d hear God s voice but expecting to hear it Sampson s uncomplicated practical perspective will help you cultivate the two way conversation with God you ve always longed for Before long you ll hear Him speaking into your circumstances and relationships expressing His love for you and showing you the next steps to take in your life Don t settle for a one sided conversation with God Break through this barrier and develop a sensitive heart that hears and responds to God s still small voice With clarity and humor Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing Bishop Mark J Chironna M A Ph D Church on the Living Edge Orlando Florida [4 Keys to Hearing God's Voice](#) Mark Virkler,2010-08-01 Based on the highly popular and successful book How to Hear God s Voice this exciting new book emphasizes the 4 Keys to Hearing God s Voice When I learned to hear God s voice after 11 years as a believer without it every part of me was radically transformed Thousands have told me they have had this same metamorphosis and I believe that this will become your testimony also writes co author Mark Virkler The keys that are examined discussed in detail and can be immediately applied to your life are How to recognize God s voice as spontaneous thoughts Learning how to become still before the Lord Looking for vision as you pray Realizing the importance of two way journaling Filled with insights from years of hearing from God 4 Keys to Hearing God s Voice also includes visual aids that enhance the teaching and learning experience Very reader friendly you will find that the concepts and principles are easily adapted to your personal circumstances and lifestyle Designed to bring even more depth to your relationship with God this book is part of an integrated package that includes a DVD and seminar guide for either individual or group study Either as a stand alone book or as part of a package you are sure to gain valuable encouragement and motivation to seek intimate communication with God your heavenly Father **Listen** Paul Tubach, Jr.,2018-03-04 God created everyone with the ability to hear His voice so in one respect the original subtitle was a misnomer A better subtitle is How To Hear God s Voice Better This book will answer these questions What does God s voice sound like What is the single greatest problem preventing us from hearing the Voice that says I love you How can we silence the multitude of many voices What is the message God wants us to understand When

we get quiet become still and silence all the competing messages and voices in this world and then focus our attention on Jesus you will hear God's voice Perhaps the single greatest human tragedy is that God hears all our prayers but we cannot hear His answer When this happens we typically proceed to step two which is the second greatest tragedy asking other people what God thinks Man has become quite content with second hand truth but this was never God's intent If you want to know the truth then go the Source and ask Him yourself If you want to hear then you WILL hear The problem it seems is not God's ability to speak to us but our willingness to listen We are living in the most exciting time in human history and yet this world is coming against us faster and louder with more messages that prevents us from listening for and hearing God's voice There are two kingdoms on this planet and they are in conflict with one another If you want to escape the kingdom of darkness and death to live in the kingdom of love light and life then you need to tune into the language of heaven and hear the truth There is a way of escape just listen to Jesus follow Him and He will deliver you from darkness And since Jesus is the Truth and the Life we need to listen to His Truth obey His instruction and understand His message of salvation See to it that you do not refuse Him who is speaking to you Heb 12:25
