A Brown Man in Russia Vijay Menon,2018-05-10 A Brown Man in Russia describes the fantastical travels of a young colored American traveler as he backpacks across Russia in the middle of winter via the Trans Siberian The book is a hybrid between the curmudgeonly travelogues of Paul Theroux and the philosophical works of Robert Pirsig Styled in the vein of Hofstadter the author lays out a series of absurd but true stories followed by a deeper rumination on what they mean and why they matter Each chapter presents a vivid anecdote from the perspective of the fumbling traveler and concludes with a deeper lesson to be gleaned For those who recognize the discordant nature of our world in a time ripe for demagoguery and for those who want to make it better the book is an all too welcome antidote It explores the current global climate of despair over differences and outputs a very different message one of hope and shared understanding At times surreal at times inappropriate at times hilarious and at times deeply human A Brown Man in Russia is a reminder to those who feel marginalized hopeless or endlessly divided that harmony is achievable even in the most unlikely of places
