Summary of Steven Hassan's Combating Cult Mind Control Everest Media, 2022-06-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I am a therapist who helps people who have been damaged by cults I help them start their lives over and avoid the trauma associated with the often illegal abduction method called deprogramming 2 I spoke with Bruce's parents who had flown to Boston from Minneapolis They wanted to bring him back to meet with me I asked Bruce about himself and why his parents were so concerned and he said they had not yet told him about pledge service 3 It is easy to help someone who is already in a cult but those who are being recruited are usually already under the group's control It is difficult to help people who have been in a cult for many years 4 I help people leave destructive cults and I do this by sensitizing them to the problem of mind control or undue influence It is difficult to help someone leave a cult so the best way to deal with this problem is to educate people about it *Handbook of Public Participation in Impact Assessment* Tanya Burdett, A.
