Law of Evidence in Nigeria Uchenna Ortuanya,2022-10-03 The Evidence Act 2011 repealed the old Evidence Act In doing so the new Act introduced some changes in the Law of Evidence Ever since there has been an urgent need for scholastic guidance in the proper approach to the interpretation of the provisions embodying those changes This is particularly so as the courts have been issuing contradictory interpretations of these provisions In his new book Law of Evidence in Nigeria Practice and Procedure the veteran author and urbane man of letters Professor Simon Uchenna Ortuanya masterfully plumbs the intention of the draft s persons of the Act The result is a five hundred and forty page treatise of redoubtable erudition The succinct titles of the different chapters are quite captivating just as the logical presentations of ideas are very illuminating The book bears the imprints of the erudite author s versatility in the Law of Evidence a course he has taught admirably in two public universities years

Research Handbook on Law and Courts Susan M. Sterett, Lee Demetrius Walker,2019 The Research Handbook on Law and Courts provides a systematic analysis of new work on courts as governing institutions Authors consider how courts have taken on regulating fundamental categories of inclusion and exclusion including citizenship rights Courts centrality to governance is addressed in sections on judicial processes sub national courts and political accountability all analyzed in multiple legal political systems Other chapters turn to analyzing the worldwide push for diversity in staffing courts Finally the digitization of records changes both court processes and studying courts Authors included in the Handbook discuss theoretical empirical and methodological approaches to studying courts as governing institutions They also identify promising areas of future research

Intellectual Property in Russia Natalia M. Udalova,Anna S. Vlasova,2021-07-28

Intellectual property rights are essential for a firm's competitive edge and success and form the significant assets for many firms. The authors of this book argue that intellectual property is a complex phenomenon which inevitably requires a combination of both economic and legal considerations because the lack of understanding of the mechanisms for the protection and preservation of IP can serve to undermine any of the potential economic benefits. The book outlines the opportunities that can be derived from the use of IP in business and also identifies the rules necessary for their implementation. It offers a comprehensive systemic research of intellectual property based on the most up to date legislation and cases of IP use in Russia. Such an approach will allow readers to fully understand the peculiarities of IP as a special phenomenon of the Russian market. There is a good balance between theoretical knowledge and practical implementation and the plain language and unique approach to structuring information make the book accessible and easy to understand. It contains a special glossary of terms to facilitate the understanding of the material presented in the book. Although the book looks specifically at the Russian case it will have international appeal since intellectual property by its very nature has become a transnational phenomenon. Moreover, the international regulatory framework provides for the similarity of legal regulation of IP. The book will find an audience among researchers concerned with the economics and law of intellectual property as well as policymakers and practitioners involved in business IP.

Financial Entrepreneurship for Economic Growth in Emerging Nations Woldie, Atsedie, Thomas, Brychan, 2017-07-13 Entrepreneurial endeavors are a pivotal driving force behind the modern business sector. These enterprises play a significant role in the development and sustainability of a nation's economy. *Financial Entrepreneurship for Economic Growth in Emerging Nations* is an innovative reference source for the latest scholarly research on strategies and techniques for financing small and medium sized enterprises in the context of developing nations. Including a range of pertinent topics such as microinsurance, risk management and advertising, this book is ideal for managers, academics, professionals, graduate students and practitioners interested in the dynamics of financial entrepreneurship.

Social Media and Online Consumer Decision Making in the Fashion Industry Tarnanidis, Theodore, Papachristou, Eyridiki, Karypidis, Michail, Ismyrlis, Vasileios, 2023-08-01 Today many fashion brands use social media marketing strategies to increase awareness about their brand and influence consumers' decision making patterns. Further, consumers use social media platforms to find relevant and reliable information for structuring their preferences and making evaluations. Web 2.0 tools in the digital age provide consumers with a plethora of interactive and user control information that helps them acquire and share brand information which in turn impacts their purchase decision preferences. The bulk of the data produced by social media tools provides brand marketers with information about the consumers' wants, beliefs, commitment, habits and purchasing intentions which in turn is useful for the development and implementation of marketing strategies. *Social Media and Online Consumer Decision Making in the Fashion Industry* provides critical research on effective methods, techniques and tools for evaluating the impacts of social media on the consumer decision making.

process The book explores the pertinence of web based social media tools and how the fashion business sector can benefit from social media innovation approaches in digital environments Covering topics such as mobile apps consumer decision making processes and communication technologies this book is ideal for students brand executives marketing professionals researchers interested in social media technology and more **Counseling Children and Adolescents** Jolie

Ziomek-Daigle,2017-06-26 Counseling Children and Adolescents gives students the information they need to prepare for work in both school and clinical mental health settings two CACREP Council for Accreditation of Counseling and Related Educational Programs specialty areas This text includes not only content related to developmental and counseling theories but also information on evidence based practices across the continuum of care diagnosis and treatment of youth and current trends such as integrated care mindfulness and neuroscience Unique to this book are sections on both the instructional and behavioral Response to Intervention RtI model and PBIS examples of evidence based practices used across settings such as Student Success Skills Check Connect and trauma focused CBT and a review of common mental health related disorders most often seen in youth and treatment recommendations Ethical and legal implications are infused throughout the book as are CACREP learning outcomes Instructors using this textbook can also turn to its companion website to access test questions for each chapter Expansive and practical Counseling Children and Adolescents fills a gap in counselor preparation programs and provides an important resource that can be used across specialty areas and coursework **Civil Jurisdiction**

and Judgments Adrian Briggs,2021-04-26 Now in a fully updated seventh edition this book remains an established treatise in the field of civil jurisdiction and judgments It aims to make a full and complete statement of English law on civil jurisdiction and the effect of foreign judgments against the backdrop of significant uncertainty about the consequence of Brexit on the law of civil jurisdiction and judgments The book looks in detail at the law after the Brussels Regulation has ceased to operate as part of English law the substance of the Lugano Convention which the government hopes to join the incorporation of the 2005 Hague Convention on Choice of Court Agreements into English law and developments in the common law rules of jurisdiction injunctions and foreign judgments This text aims to be an authoritative and comprehensive reference for all legal practitioners working in commercial law across jurisdictions as well as the judiciary **Exercise as a**
