## Recommendation for Frank Capostagno

Frank Capostagno is a delightful young man. He is conscientious, personable, dedicated and genuinely committed to excellence in his academic work as well as his trade. Academically, Frank is a strong student who has worked hard to succeed. He was in one of our most strenuous trade areas- Electronics. He consistently maintained high standards for himself, reliably being in the top twenty percent of his class.

Frank was part of the football team for all four seasons. He was an integral part of our first "Super Bowl" team in 2001, repeating in 2002 and 2003. He is an avid athlete, a generous player, willing to accept constructive criticism and lead his team in many ways. The tech-prep program has been beneficial for Frank.

When he finished his high school career, Frank went on to Massasoit Community College with the specific goal of continuing at Wentworth Institute of Technology. He has worked very diligently there and will graduate from there with honors.

Frank's personal characteristics, innate intelligence and general attitude will ensure his success at the baccalaureate level. He has a generous sense of humor and is well liked by his peers and the faculty alike. I highly recommend Frank Capostagno to Wentworth Institute of Technology and any scholarships for which he may be eligible.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen G. Schwabe".
