Lottie Moon Changing China For Christ:

Lottie Moon Nancy Drummond, 2014 Missionary to China Influence is still felt today Part of the Trailblazers Series

Lottie Moon: Giving Her All for China Janet Benge, Geoff Benge, Benge, 2000-10 After becoming the most educated woman in the American South Lottie Moon 1840 1912 spent thirty nine years in China As she watched her fellow missionaries fall to disease and exhaustion she became just as dedicated to educating Christians about the often preventable tragedies of missionary life as she was to educating Chinese people about the Christian life Today an annual missionary offering taken in her name continues to enable countless others to give their all for the gospel **Lottie Moon** Regina D. Sullivan, 2011-06-03 Legendary Southern Baptist missionary Charlotte Lottie Moon played a pivotal role in revolutionizing southern civil society Her involvement in the establishment of the Women s Missionary Union provided white Baptist women with an alternate means of gaining and asserting power within the denomination s organizational structure and changed it forever In Lottie Moon A Southern Baptist Missionary to China in History and Legend Regina Sullivan provides the first comprehensive portrait of Lottie who not only empowered women but also inspired the formation of one of the most influential religious organizations in the United States Despite being the daughter of slaveholders in antebellum Virginia Moon never lived the life of a typical southern belle Highly educated and influenced by models of independent womanhood including an older sister who was a woman s rights advocate an open opponent of slavery and the first Virginian female to earn a medical degree Moon followed her sister s lead and utilized her extensive education to successfully combine the language of woman s rights with the egalitarian impulse of evangelical Protestantism In 1873 Moon found her true calling however in missionary work in China During her tenure there she recommended that the week before Christmas be designated as a time of giving to foreign missions In response to her vision thousands of Southern Baptist women organized local missionary societies to collect funds and in 1888 the Woman s Missionary Union was founded as the Southern Baptist Convention s female auxiliary for missionary work Sullivan credits Moon s role in the establishment of the Woman s Missionary Union as having a significant impact on the erosion of patriarchal power and women s new engagement with the public sphere Since her initial plea in 1888 the Missionary Union s annual Lottie Moon Christmas Offering has raised over a billion dollars to support missionary work Lottie Moon captures the influence and culminating effect of one woman s personal spiritual and civic calling *Build on Jesus* Deepak Reju, Marty Machowski, 2021-10-04 Anyone who has tried it even for a day knows that children s ministry is challenging Pastors Deepak Reju and Marty Machowski have been in your shoes and they want to help Drawing on decades of family ministry experience they have a passion to help children s ministry directors pastors and volunteers remember the why of children s **Love Lost for the Cause of Christ** Will Brooks, 2018-08-15 In many ways sacrifice is a prerequisite for obeying the Great Commission When we examine the lives of missionary heroes we immediately notice their willingness to sacrifice comforts that contemporary believers consider necessities One of these

areas of sacrifice was in their love lives In different ways the three missionaries discussed in this book willingly gave up the opportunity of true love for the sake of advancing the gospel into unengaged areas Embracing Christ's command to deny oneself Luke 9:23 these believers gave up the chance of earthly happiness for the sake of heavenly reward Portraits of Courage Julie Whidden Long, 2008 Tells the story of fourteen Baptist heroes who led outstanding Christian lives while serving as Baptists This book features a timeline of events covering 400 years of Baptist life in several countries an introduction that defines a Baptist hero and dozens of illustrations and sidebars for terminology and other information Christianity in China Xiaoxin Wu, 2015-07-17 Now revised and updated to incorporate numerous new materials this is the major source for researching American Christian activity in China especially that of missions and missionaries It provides a thorough introduction and guide to primary and secondary sources on Christian enterprises and individuals in China that are preserved in hundreds of libraries archives historical societies headquarters of religious orders and other repositories in the United States It includes data from the beginnings of Christianity in China in the early eighth century through 1952 when American missionary activity in China virtually ceased For this new edition the institutional base has shifted from the Princeton Theological Seminary Protestant to the Ricci Institute for Chinese Western Cultural Relations at the University of San Francisco Jesuit reflecting the ecumenical nature of this monumental undertaking *The Great Commission* Martin I. Klauber, Scott M. Manetsch, Erwin Lutzer, 2008 A unique book that focuses exclusively on the history of evangelical cross cultural missions from the eighteenth century through today The Great Commission will interest anyone who is passionate about the spreading of God's Word **Christianity in China** Archie R. Crouch, 1989 A bibliographical guide to the works in American libraries concerning the Christian missionary experience in China Women in Mission Lami Rikwe Ibrahim Bakari, 2021-08-02 In Africa and around the world the church has been established through the faithful effort of men and women working together for the sake of the gospel However failure to acknowledge women's contributions in evangelism and ministry or to integrate women's stories into the history of the church has led to treating women as secondary within the body of Christ Women in Mission explores the powerful legacy of women in SIM formerly Sudan Interior Mission and the Evangelical Church Winning All ECWA demonstrating that from the beginning women have been active and essential participants in the work of God in Nigeria Dr Lami Rikwe Ibrahim Bakari examines various theological and cultural frameworks for understanding the role of women in society before delving into the rich historical reality of women's involvement in Nigerian church history This study is a powerful reminder that God's call to partner in the gospel is not limited by sex and that it is precisely in recognizing women as primary and active participants in God's mission maximizing and not suppressing their giftings that the kingdom of God is best served NKJV, The New Spirit-Filled Life Bible for Women Thomas Nelson, 2007-11-04 The Word of God is a love letter from the heart of our heavenly Father It is unequalled in its ability to comfort to counsel to challenge to exhort and to change lives The New Spirit Filled Life Bible for Women

Later Baptist Missionaries and Pioneers ... Walter Sinclair Stewart, 1929 A History of Christianity in Asia, Vol. II Samuel Hugh Moffett, 2014-07-30 The story of Christianity in the West has often been told but the history of Christianity in the East is not as well known. The seed was the same: the good news of Jesus Christ for the whole world which Christians call the gospel. But it was sown by different sowers; it was planted in different soil; it grew with a different flavor and it was gathered by different reapers. It is too often forgotten that the faith moved east across Asia as early as it moved west into Europe. Western church history tends to follow Paul to Philippi and to Rome and on across Europe to the conversion of Constantine and the barbarians. With some outstanding exceptions, only intermittently has the West looked beyond Constantinople as its center. It was a Christianity that has for centuries remained unashamedly Asian. A History of Christianity in Asia makes available immense amounts of research on religious pluralism of Asia and how Christianity spread long before the modern missionary movement went forth in the shelter of Western military might. Invaluable for historians of Asia and scholars of mission, it is stimulating for all readers interested in Christian history.

Who is Veronica? James Bradfield, 2017-02-15 Who is Veronica by James Bradfield *Guardians of the Great Commission* Ruth Tucker, 1988 Encountering Theology of Mission (Encountering Mission) Craig Ott, Stephen J. Strauss, Timothy C. Tennent, 2010-05-01 This fresh comprehensive text fills a need for an up-to-date theology of mission. It offers creative approaches to answering some of the most pressing questions in theology of mission and missionary practice today. The authors, who are leading mission experts, discuss biblical theology of mission, provide historical overviews of the development of various viewpoints, and address theologically current issues in global mission from an evangelical perspective. This readable yet thorough text integrates current views of the kingdom of God and holistic mission with traditional views of evangelism and church planting. It also brings theology of mission into conversation with ecclesiology and eschatology. Topics covered include contextualization, the missionary vocation, church and mission, and theology of religions. Sidebars and case studies enable readers to see how theology of mission touches real life mission practice.

Advanced Missiology Kenneth Nehrbass, 2021-04-02 Advanced Missiology draws the connections between the theory and practice of missions. Using the metaphor of a river, the book shows how theories upstream such as theology, education, anthropology, community development, and history have exerted an influence on missiology and missiology.

in turn has gone back upstream to influence those disciplines What causes these disciplines to converge in missiology is the goal of making disciples across cultures Whereas missiologists are not always explicit about how their abstract theories actually relate to the task of making disciples across cultures each chapter in *Advanced Missiology* shows how numerous theories sub fields models and strategies of missiology ultimately facilitate the Great Commission The book argues that by using interdisciplinarity for this fundamental purpose missiological studies will be more credible and useful With contributions from Rebecca Burnett Leanne Dzubinski Julie Martinez *The War Within You* Doug McIntosh,2001 A powerfully written book to you a member of the church As members of the church Christians are under constant pressure from the world to compromise their convictions But how can they counter these attacks when even their leaders are drawn away and steeped in worldly affairs In terms reminiscent of a military battle Doug McIntosh argues the seriousness of the situation and helps believers understand the tools at their command for living a victorious life *A Call to Action* Jimmy Carter,2015-03-10 Looks at the suffering discrimination and abuse suffered by women throughout the world often as a result of distorted readings of religious texts as witnessed by the author and the testimony of women representing different regions and religions
