**Louisiana Notary Exam Sidepiece to the 2021 Study Guide** Steven Alan Childress,2021-01-19 New 2021 edition of the essential study resource to supplement the state s official textbook The Louisiana Notary Exam has a 20% pass rate The Notary Exam has an official Study Guide you use during the exam But the Study Guide has no index no big picture no study strategies no exam day tips not enough cross references and few of the forms notaries use that they test It doesn t explain most tested subjects past exams or recent changes to the Guide It s got the law and notary rules but it s missing essentials for any such textbook This book has all that and much more that anyone contemplating the exam should read It even includes crucial information about notary practice for the newbie notary and is useful to experienced notaries for its expanded cross references complete index and summary lists Basically it s the rest of the official Study Guide they somehow omitted Why would they leave out the index of all things Reminder a 20% pass rate

*Become a Notary Public in Louisiana (New for 2023-2024)* Steven Alan Childress,2023-03-13 NOTE New edition in 2025 supersedes this 2023 2024 one and is a fully updated version of this much read introduction to the office of Notary Public Louisiana civil law notaries enjoy functions responsibilities and earning potential unmatched in any other state and reserved there to attorneys Louisiana notaries wield the power not just to verify signatures but also to create the legal papers they notarize including affidavits donations powers of attorney and even wills and trusts And so much more with no educational requirement beyond high school but a state exam that is famously challenging The entire process to become a notary is difficult and wrapped in some mystery This book is helpful if you re in the beginning stages of becoming a notary public Or just thinking about joining the profession It s about the process of registering to be a notary and why you d want to It s about the classes books resources and options available to prep for the exam It s not a study guide to the test s content itself Other books do that including the best selling Sidepiece guide also by Prof Childress of Tulane Law School But it does explain the format of the exam and the structure of questions so that a candidate knows how to start studying Previously no one had

offered a guide to the preliminary but confusing steps you take to be eligible for the exam or rules and tips you'd want to know right away about the exam process and its open book. Website information can be unclear and incomplete without disclosing the realities. This book is about what I wish someone told me from Day One when I was considering becoming a notary in Louisiana. An affordable addition to the Sherpa Series from Quid Pro Books. *Louisiana Notary Exam Sidepiece to the 2020 Study Guide* Steven Alan Childress, 2020-02-14. The Louisiana Notary Exam has a 20% pass rate. The Notary Exam has an official Study Guide you use during the exam. But the Study Guide has no index, no big picture, no study strategies, no exam day tips, no paginated cross references, and few of the forms notaries use that they test. It doesn't explain most tested subjects, past exams, or recent changes to the Guide. It's got the law and notary rules, but it's missing essentials for any such textbook. This book has all that and much more that anyone contemplating the exam should read. It even includes crucial information about notary practice for the newbie notary and is useful to experienced notaries for its paginated cross references, complete index, and summary lists. Basically, it's the rest of the official Study Guide they somehow omitted. Why would they leave out the index of all things? Reminder: a 20% pass rate. As a senior law teacher and member of two state bars, Professor Childress still needed to pass the Louisiana Notary Exam to start practicing as one. It's a challenging exam for everyone, yet he found in the Study Guide lots of trees but little forest and even less real guidance. Determined that current test takers can do better with more real help, he wrote this book and geared the page numbers, including an index, cross references, lists, and illustrated explanation of successions, community property, and authentic acts to the 2020 edition of the state's official text, *Fundamentals of Louisiana Notarial Law and Practice*. An affordable addition to the Self Study Sherpa Series from Quid Pro Books that actually pays for itself twice over with its one weird trick: saying how to save 65 in fees in the notary qualification process. ABOUT THE AUTHOR: Steven Alan Childress is a professor of law at Tulane since 1988. He earned a JD from Harvard and a PhD from Berkeley. He clerked in Shreveport for the federal court and practiced law in California. He is a practicing Louisiana notary public and a member of the Louisiana Notary Association. He is the co-author of the legal treatise *Federal Standards of Review*, edited two volumes on legal ethics, and annotated a modern edition of Oliver W. Holmes' *The Common Law*. **Louisiana Notary Public Examination Official Study Guide** C. Alan Jennings, 2005.
