MARK SCHEME for the June 2005 question paper

4024 MATHEMATICS

4024/02

(Paper 2, maximum raw mark 100)

This mark scheme is published as an aid to teachers and students, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began. Any substantial changes to the mark scheme that arise from these discussions will be recorded in the published Report on the Examination.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the Report on the Examination.

4. (CIE) will not enter into discussion or correspondence in connection with these mark schemes.

CIE is publishing the mark scheme for the June 2005 question papers for most IGCSE and OCEI Advanced Level syllabuses.
