

Using 3ds Max and mental ray for Architectural Visualization

© 2007 Electric Gobo / Karcher, www.electrigo.com

Introduction

This white paper looks at using mental ray® software for architectural visualization. Autodesk® 3ds Max® 9 software includes many major feature and workflow improvements to reduce complexity and make rendering with mental ray far more approachable for Architects and Designers.

This document summarizes the important aspects of photorealistic renderings that Architects, designers and visualization professionals may want to consider when creating presentation images, visualizations for design review, or physical analysis of lighting. It identifies the main areas involved in physically based renderings and provides guidance as well as tips-and-tricks on how to use them in 3ds Max. The main areas of focus include:

- Lighting and materials theory
- The mental ray renderer
- The mental ray daylight system
- Arch+Design material for mental ray, and more

Included with this document are sample scene files and renders to help provide context.
