Holy Communion Kenneth M. Loyer, 2014-12-16 Experience God in the here and now through Communion This book explores how celebrating the presence of God With Us through Holy Communion nourishes our souls refreshes our sense of community and equips us for mission in Christ's name Yet many Christians do not understand Communion or see it only as an empty ritual Because of that low worship attendance or enthusiasm commonly accompanies Communion Sundays leaving churches feeling spiritually depleted This book provides insights and practical suggestions for giving this sacrament a more

prominent role not just in church life but in the Christian formation of individuals For small groups Sunday school classes and as a preaching resource Holy Communion Celebrating God with Us by Kenneth M Loyer and general editor William H Willimon is suitable for a four week study and includes discussion questions at the end of each chapter The Belief Matters series assists pastors and clergy in explaining fundamental elements of the church and its worship to congregations Holy Communion is the second in the series and follows Incarnation by William H Willimon *Doxology 33.3* Joshua Parks, Daniel Benedict, Rebecca Holland, Daniel Klawitter, Wayne Perry, Heather Josselyn-Cranson, 2022-10-18 *Doxology* a journal of worship and the sacramental life Volume 33 3 Ordinary Time 2022 Founded in 1984 *Doxology* a journal of worship and the sacramental life is a quarterly peer reviewed journal published by the Order of Saint Luke OSL Publications It focuses on emerging and historical theologies and practices of Christian worship Print distribution is to the members of the Order globally as well as to a number of theology departments and seminary libraries in the United States *Doxology* also continues the tradition of the journal *Sacramental Life* which merged with *Doxology* in 2020 **American Methodism** Russell E. Richey, Kenneth E. Rowe, Jean Miller Schmidt, 2012 *The Death of the Messiah and the Birth of the New Covenant* Michael J. Gorman, 2014-06-27 In this groundbreaking book Michael Gorman asks why there is no theory or model of the atonement called the new covenant model since this understanding of the atonement is likely the earliest in the Christian tradition going back to Jesus himself Gorman argues that most models of the atonement over emphasize the penultimate purposes of Jesus death and the mechanics of the atonement rather than its ultimate purpose to create a transformed Spirit filled people of God The New Testament s various atonement metaphors are part of a remarkably coherent picture of Jesus death as that which brings about the new covenant and thus the new community promised by the prophets which is also the covenant of peace Gorman therefore proposes a new model of the atonement that is really not new at all the new covenant model He argues that this is not merely an ancient model in need of rediscovery but also a more comprehensive integrated participatory communal and missional model than any of the major models in the tradition Life in this new covenant Gorman argues is a life of communal and individual participation in Jesus faithful loving peacemaking death Written for both academics and church leaders this book will challenge all who read it to re think and re articulate the meaning of Christ s death for us

Worship Jeffrey A. Truscott, 2011 **Study Guide and Workbook for Spiritual and Church Renewal** James M. Dawsey, Sharon E. Wright, Scott Sikes, 2025-02-10 The decline this century in church attendance has been pronounced And polls show disconcerting ignorance about religious matters even among churchgoers Is there a path to spiritual and church renewal And what will become the shape of American Christianity this century As an accompanying volume to James M Dawsey s Handbook for the Christian Faith this workbook offers a summary of essential beliefs and practices of the faith identifies significant terms names dates and events in church history lists themes and materials to be learned provides exercises and suggests additional readings to enhance understanding The materials will prove of interest to all wanting to

understand the role played by Christianity in western culture and to decipher the chaos of present day American Christianity But the Study Guide and Workbook for Spiritual and Church Renewal will be especially useful to Christians working through the Handbook for the Christian Faith reflecting more deeply on the meaning of the Christian heritage and seeking to discern a right path for contemporary Christianity The exercises in this workbook extend beyond understanding Christianity as a religion to readers better understanding themselves as Christians How shall we be faithful followers of Christ **Vatican Council II** Elizabeth Harrington, David Orr, Carmel Pilcher, 2013-08-31 Sacrosanctum Concilium opened the door to all Christians to understand the contemporary challenge to their life and health and it started with the reform of the liturgy In the words of Paul VI the liturgy is the first source of life communicated to us the first school of our spiritual life the first gift we can give to Christian people by our believing and praying and the first invitation to the world That is surely true for all of us A Field Guide to Methodist Fresh Expressions Michael Adam Beck, 2020-03-23 According to Fresh Expressions U S a Fresh Expression is a form of church for our changing culture established primarily for the benefit of those who are not yet part of any church Fresh Expressions are introducing people to Jesus expanding the kingdom and revitalizing churches Congregations need a practical and theological resource that can help them cultivate Fresh Expressions As consultants who work nationwide and as innovative pastors authors Michael Beck and Jorge Acevedo awaken congregational leaders and ministry teams to a distinctive Wesleyan approach for the Fresh Expressions movement In Wesleyan Fresh Expressions they show congregations how to cultivate and customize fresh expressions that fit their local context They motivate ministry teams to take risks experiment and when necessary fail well On April 2 1739 John Wesley went to a field just outside what was then the city limits of Bristol England There he tried a missional innovation called field preaching Thousands of people showed up many of whom who had no connection with a church Today most Methodists and other Wesleyans don't know their own story Lost in the milieu of divisive issues that threaten to tear the church apart Wesleyans have forgotten their DNA as a renewal movement born not from doctrinal disputes but from a missional imperative In this sense the Fresh Expressions movement is the most Methodist thing in the denomination today This iteration of the Spirit is taking it to the fields again Wesleyan Fresh Expressions will help guide the way **Flow** Lester Ruth, 2020-03-03 Is there a way to do the prescribed or suggested orders of worship from denominational worship resources such as the United Methodist Book of Worship Evangelical Lutheran Book of Worship the Book of Common Worship of the Presbyterian Church U S A or the Book of Common Prayer in a way that feels legitimately and authentically contemporary This practical how to book will help churches plan and implement passionate and invigorating worship Step by step author Lester Ruth and contributors Zachary Barnes Andrew Eastes Jonathan Ottaway Adam Perez Glenn Stallsmith and Deborah Wong break down the process of rethinking what the official or recommended order of worship is truly suggesting so pastors and worship leaders can plan and lead a service of Word and Table that feels genuinely relevant and attuned to the congregation's culture With this goal Flow

casts a new but classic understanding of traditional worship as well as spurs a reconsideration of how contemporary worship can be done by honoring the traditions of denominational congregations **The Book of Resolutions of the United Methodist Church, 2000** United Methodist Church (U.S.).
