Senn, 2012 Designed as a general introduction to Christian liturgy this book explores the meaning history and practice of worship in Eastern and Western Catholic and Protestant traditions Its chapters cover the theology of worship the historical development of Eucharist and the Prayer Offices the lectionary and customs of the church year other sacramental rites and the use of music and the arts As such it is a perfect textbook for students seeking to understand the basics of liturgical worship as well as a reliable guide for worship leaders      **Small Surrenders** Emilie Griffin, 2009-02-01 Griffin is a trustworthy guide She writes with the unmistakable authenticity and authority of a woman steeped in prayer America Join Emilie Griffin in this daily companion for the Lenten journey Using ancient and modern texts as inspiration for her own reflections Emilie Griffin nurtures and guides us into a deeper knowledge of ourselves and God We discover that Lent is our chance for a fresh start and an opportunity to joyfully put ourselves in God's hands Lent is a time when we deepen our faith in a journey not of grand gestures but of small surrenders We are converted not only once in our lives but many times and the conversion is little by little and often imperceptible But Lent gives us a time to move the process along intentionally by a series of small surrenders When we choose some exercise for Lent daily worship daily prayer abstinence from one thing or another it is not so much the practice that transforms us but it is our willingness to change from Small Surrenders      **Whose Mass is It?** Paul Turner, 2015 Whether or not adult Catholics attend Mass regularly they strongly bond with it Within a single generation English speaking Catholics experienced the Second Vatican Council's authorization for the first overhaul of the liturgy in four hundred years and then in 2011 they prepared for and implemented a revised vernacular translation Each of these two events awakened strong feelings and no small amount of lament from other Christian bodies who share the basic structure and content of the

Roman Catholic Mass as people gradually became aware that someone else's decision was going to affect the cornerstone of their spiritual life In Whose Mass Is It Paul Turner examines the impact of the Mass the connections it makes and its purpose in the lives of believers      *Praying Curses* Daniel Nehrbass,2013-06-21 Public reading of the psalms facilitates corporate worship but it can also create a degree of awkwardness as a number of passages in the Psalter contain curses asking God to avenge enemies The presence of vengeful speech seems antithetical to Jesus Sermon on the Mount What are these psalms really about This book recovers the value of imprecatory speech in Scripture arguing that such passages continue to be relevant today both in preaching and therapy The interpretive model Nehrbass suggests is that of dependence these psalms transfer the burden of one's enemies to God and affirm that it is God's prerogative alone to avenge The authors of the imprecatory psalms were victims of violence so this book looks to contemporary victims of violence for their interpretation and application of these psalms This study is decidedly practical Nehrbass examines the nature of anger and hatred and highlights some of the redemptive aspects of these emotions He concludes that the imprecatory psalms offer several positive aspects for dealing with hatred Use of these passages fosters in believers a passion for God's reputation and can also aid us in surrendering our problems to God's control      *The Word of the Lord at Mass: Understanding the Lectionary* Regina A. Boisclair, PhD,2016-02-16 The Word of the Lord at Mass Understanding the Lectionary is an inviting introduction to the book from which Catholics hear Scripture proclaimed throughout the year It explains what a Lectionary is how it developed over time how our current Lectionary grew out of the Second Vatican Council and differs from previous ones and how in harmony with the liturgical year it presents Bible selections that unfold Christ's Paschal Mystery This book will enrich liturgical ministers and anyone interested in the role of the Bible in Catholic life      *The Lord Is Our Light [Large Print]* A. Elaine Brown Crawford,Nan Duerling,2017-09-19 The Lord Is Our Light invites you to explore God's hope and presence through a study of the scripture readings for Advent and Christmas Author Elaine Crawford calls us to explore our hope for new beginnings praising God as we eagerly await the birth of Christ in our lives Recalling the fulfillment of God's promises at Christmas she invites us to imagine the future culmination of our hope in Christ's death resurrection and second coming Dawson's reflections challenge readers to cultivate faithful lives here and now in active expectation for the coming of the Christ Child Based upon the Revised Common Lectionary scriptures for year B of the church year a three year cycle of Bible readings The study includes commentary and reflection on key Bible readings from the Old Testament the Gospels and the Epistles It offers the opportunity to explore these Bible readings in a five session study It will help participants understand appreciate and engage in meaningful and joyous celebrations of Advent and Christmas and to live each day in God's light through Jesus Christ The study book includes a leader guide with information about the season of Advent suggestions for starting and leading small groups Bible background and discussion activities      **Adult Bible Studies Spring 2022**
