Muchacho A Novel:

Muchacho: A Novel Louanne Johnson, 2011-05-10 An inspiring YA debut from the author of *Dangerous Minds* Eddie Corazon is angry He's also very smart But he's working pretty hard at being a juvenile delinquent He blows off school even though he's a secret reader He hangs with his cousins who will always back him up when they aren't in jail Then along comes Lupe who makes his blood race She sees something in Eddie he doesn't even see in himself A heart and a mind and something more a poet But in Eddie's world it's a thin line between tragedy and glory And what goes down is entirely in Eddie's hands Gripping thought provoking and hopeful Muchacho is a rare and inspiring story about one teen's determination to fight his circumstances and shape his own destiny *The Post-Boom in Spanish American Fiction* Donald L. Shaw, 1998-07-10 Provides a clear account of the issues in Spanish American fiction in the last quarter century by attempting to answer questions on the Boom Post Boom and its relation to Postmodernism *The Cinematic Novel and Postmodern Pop Fiction* Décio Torres Cruz, 2019-12-05 Décio Torres Cruz approaches connections between literature and cinema partly through issues of gender and identity and partly through issues of reality and representation In doing so he looks at the various ways in which people have thought of the so-called cinematic novel tracing the development of that genre concept not only in the French cinematic and film scenarios but also in novels from the United States England France and Latin America The main tendency he identifies is the blending of the cinematic novel with pop literature through allusions to Pop Art and other postmodern cultural trends His prime exhibits are a number of novels by the Argentinian writer Manuel Puig *Betrayed by Rita Hayworth Heartbreak Tango The Buenos Aires Affair Kiss of the Spider Woman and Pubis angelical* Bringing in suggestive sociocultural and psychoanalytical considerations Cruz shows how in Puig's hands the cinematic novel resulted in a pop collage of different texts films discourses and narrative devices which fused reality and imagination into dream and desire **Muchacho - Volume 2** Emmanuel Lepage, 2016-03-23T00:00:00+01:00 It's a time of grumbling rebellion and brooding revolution Gabriel de la Serna the teenage son of a well-to-do family has gone into hiding He fled limping into the forest He had come to San Juan a little village nestled in the mountains to paint the Passion of the Christ There he came to understand the passion of the villagers the country folk all victims of military repression Nourished by a sense of divine justice he begins to understand the villainy of those in power and their cronies When he's eventually taken in and treated by the guerillas camped out in the forest he lies about his family name and swaps his pencils and paint brushes for firearms As he gazes beyond the surface and deeper into the depths Gabriel also discovers his own humanity made of flesh and desires **Genre Analysis and Corpus Design** Ulrike Henny-Krahmer, 2024-01-22 This work in the field of digital literary stylistics and computational literary studies is concerned with theoretical concerns of literary genre with the design of a corpus of nineteenth-century Spanish American novels and with its empirical analysis in terms of subgenres of the novel The digital text corpus consists of 256 Argentine Cuban and Mexican novels from the period between 1830 and 1910 It

has been created with the goal to analyze thematic subgenres and literary currents that were represented in numerous novels in the nineteenth century by means of computational text categorization methods To categorize the texts statistical classification and a family resemblance analysis relying on network analysis are used with the aim to examine how the subgenres which are understood as communicative conventional phenomena can be captured on the stylistic textual level of the novels that participate in them *Gustavo Sainz* Salvador C. Fernandez,1999 Fernandez Spanish Occidental College primarily examines Sainz's first four novels to understand why his works constitute exemplary and representative postmodern texts He studies the structure and language of the novels as well as their major themes He also contrasts Sainz's narratives with those written by other Latin American writers Annotation copyrighted by Book News Inc Portland OR
