

## Section A

### Question 1

- i. I Assignment 2 chose question 5(b) identify four different linguistic forms in the letter to support your answer in (a)."
- ii. I chose this question because i lost all the marks for this question because i did not follow instructions.
- iii. Marker's comments "The question requires you to cite examples from the text."

i agree with the comments because without citing examples from the paragraph, my answer becomes general. In order to clearly show the marker that the question i was supposed to cite from the paragraph. However i think i should have been rewarded some marks for the effort i showed since the question did not explicitly specify.
